Good Words and Sunday Magazine ,1875 **Good Words** ,1875 *Cutting Your Losses from a Bad or Toxic Relationship* Dr. J.A. McGruder Ph.D. CRC,2018-10-04 Life itself can be like riding a roller coaster It s full of ups and downs high and low points Using the lyrics of an old gospel song by Linda Ronstadt Life is like a mountain railway with an engineer that s brave We must make this run successful from the cradle to the grave one of the greatest challenges we all face to navigate life s journey is developing healthy godly relationships One of our greatest failures in developing healthy relationships is well described by a story sharer in this book She compares a bad or toxic relationship with the plight of sin Sin will take you farther than you want to go keep you longer than you want to stay and cost you more than you want to pay Such can be said about a bad or toxic relationship In Dr McGruder s book *Cutting Your Losses from a Bad or Toxic Relationship* he warns those who discover themselves in such a relationship and fail to heed warnings and escape from harm s way Remaining in such a relationship can waste a significant portion of your life s journey and the result can tally up to emotional mental psychological and spiritual gross costs However this book will provide insight on how to survive and thrive it all **Feeling and Thinking** Joseph P. coming of age The next novels add lyricism to their prose to capture sensual emotions Sophie Mereau's *Blütenalter der Empfindung* The Blossoming of Feeling imagines women's affinity for the philosophical sublime while Caroline Wolzogen depicts female desire in her *Agnes von Lilien* The fifth novel *Die Honigmonathe* The Honeymoon by Karoline Fischer explores the agony that extreme emotions cause not only for women but also for men The last novel Caroline Pichler's *Frauenwürde* The Dignity of Women expands the focus from a young heroine to multiple mature characters while maintaining the centrality of women's talents and emotions Finally this study accords honorable mention to some other women's novels before concluding that the influence of these six works was in no way trivial either in portraying women's lives and emotions or in the history of German literature *Great Books of the Western World: William James*, 1952 **Great Books of the**
