Levy,2015-08-06 Celebrity culture surrounds us We are inundated with information about actors and actresses athletes musicians and others who have become famous or infamous Although we never will likely meet or get to know them our interest in them seems boundless We are literally obsessed with being entertained as well as with the people who entertain us Who our celebrities are has also shifted in the past celebrity status was bestowed on men and women of great accomplishment those who had given the world something to be proud of and to celebrate Conversely today s celebrities are generally people involved in entertainment from TV newscasters to people who appear on reality television programs as well as some who are simply famous for being famous What remains an enigma is why we as a society are so infatuated with being entertained as well as with those who entertain us and appear in the media This book makes sense of this spectacle by explaining the reasons for this obsession from a psychological social and historical perspective It suggests that we have become addicted in much the same way that a person becomes addicted to drugs or alcohol Finally the author offers his observations on how to free our minds from this captivation Anyone interested in understanding more about our need to live vicariously through the rich and famous will find answers in this book
