Nice Book Ruth Woman Valor Virtuous Immoral:

Portrait of the Artist as a Bad Character Cynthia Ozick, 1996 A collection of essays that touch on the inner life of literature and of the literary artist Among the subjects covered are childhood's passionate reading ambition the decline of the book as a universal habit the consequences of gender politics and the deceptions and impersonations of art *The New York Times Book Review*, 1969 **Fair Ladies** Katherine J. Roberts, 1993 During his brief literary career Sir Philip Sidney created three major works *The Old Arcadia* *Astrophil and Stella* and *The New Arcadia* in which the female characters became progressively stronger and more completely developed A close examination of his major female characters Gynecia Stella Cecropia Philoclea and Pamela along with a study of commonplace Renaissance concepts about women reveals that Sidney's female characters deviate considerably from the conventions of his time Sidney may well have been influenced by the women in his family his queen and his religion in his creation of female characters who broke the boundaries of stereotypes
