**Enduring Shame** Heather Brook Adams, 2022-05-17 A study of the rhetorical power of shame and its effect on reproductive politics Not long ago unmarried pregnant women in the United States hid in maternity homes and relinquished their illegitimate children to more deserving two parent families all to conceal shameful pregnancies Although times have changed reproductive politics remain fraught In *Enduring Shame* Heather Brook Adams recasts the 1960s and 70s an era of presumed progress as a time when expanding reproductive rights were paralleled by communicative practices of shame that cultivated increasingly public interventions into unwed and teen pregnancy and new forms of injustice Drawing from personal interviews archival documents legal decisions public policy journalism memoirs and advocacy writing Adams articulates how the rhetorical power of shame persuaded the American public to think about reproduction sexual righteousness and unwed pregnancy Despite the aspirational goals of reproductive liberation public sentiment frequently reflected supremacist beliefs regarding racial economic and moral fitness notions that informed new public policy *Enduring Shame* maps a range of experiences across these decades from women's experiences in homes for unwed mothers to policy and legal changes that are typically understood as proof of shame's dissipation including Title IX legislation and *Roe v Wade* Rhetorical historiography and questions of reproductive justice guide the analysis and women's testimonies provide essential perspectives and context Through these histories Adams articulates a network of language affect and embodiment through which shame moves expands rhetorical understandings of the discursive power of the identities of woman and mother and considers how the gendered raced and classed aspects of shame can help us understand and support reproductive dignity *Enduring Shame* recovers a misunderstood part of women's recent history by considering why reproductive politics continue to be so volatile despite previous gains and why shame still figures centrally in discourse about women's reproductive and sexual freedoms

**You're Doing it Wrong!** Bethany L. Johnson, Margaret M. Quinlan, 2019-04-19 New mothers face a barrage of advice from health practitioners to social media influencers telling them they're getting it wrong From the magazines and personal papers of the 19th century to the security compromising practice of Instagram feeds this book provides a provocative look at typical medical and caregiving practices during pregnancy childbirth and postpartum stages

**Mothering Rhetorics** Lynn O'Brien Hallstein, 2020-03-03 Once only a topic among women in the private sphere motherhood and mothering have become important intellectual topics across academic disciplines Even so no book has yet devoted a sustained look at how exploring mothering rhetorics the rhetorics of reproduction rhetorics about the reproductive function of women mothers and reproducing rhetorics the rhetorical reproduction of ideological systems and logics of contemporary culture expand our understanding of mothering motherhood communication and gender *Mothering Rhetorics* begins to fill this gap for scholars and teachers interested in the study of mothering rhetorics in their historical and contemporary permutations The contributions explore the racialized rhetorical contexts of maternity how fixing food is

thought to fix families while also regulating maternal activities and identity how Black female breastfeeding activists resisted the exploitation of African American mothers in Detroit how women in pink collar occupations both adhere to and challenge maternity leave discourses by rhetorically positioning their leaves as time off and disability identifying verbal and nonverbal shaming practices related to unwed motherhood during the mid twentieth century and redefining alternative postpartum placenta practices This book was originally published as a special issue of Women's Studies in Communication

**Mothers, Mothering, and COVID-19** Fiona J Green, Andrea O'Reilly, 2021-02-28 There has been little public discussion on the devastating impact of Covid 19 on mothers or a public acknowledgement that mothering is frontline work in this pandemic This collection of 45 chapters and with 70 contributors is the first to explore the impact of the pandemic on mothers care and wage labour in the context of employment schooling communities families and the relationships of parents and children With a global perspective and from the standpoint of single partnered queer racialized Indigenous economically disadvantaged disabled and birthing mothers the volume examines the increasing complexity and demands of childcare domestic labour elder care and home schooling under the pandemic protocols the intricacies and difficulties of performing wage labour at home the impact of the pandemic on mothers employment and the strategies mothers have used to manage the competing demands of care and wage labour under COVID 19 By way of creative art poetry photography and creative writing along with scholarly research the collection seeks to make visible what has been invisibilized and render audible what has been silenced the care and crisis of motherwork through and after the COVID 19 pandemic

**The Motherhood Business** Anne Teresa Demo, Jennifer L. Borda, Charlotte H. Kroløkke, 2015-11-13 The essays in The Motherhood Business examine how consumer culture both constrains and empowers contemporary motherhood The collection demonstrates that the logic of consumerism and entrepreneurship has redefined both the experience of mothering and the marketplace

*After the Happily Ever After* Linda Rose Ennis, 2017 This book is about the two tiered system and invisible imbalance that operates within the framework of the family It is about the fantasy of the happily ever after which the wedding industry promotes and Western society reinforces Why are we hanging onto this faux happiness at the expense of our future well being Why don't we wonder what happened after they lived happily ever after and if in fact they really do What I hope to achieve by writing this book is to rattle the cage of young brides about to embark on this journey to talk about these issues with their future partners and to set the system up in a more equal way so no one is caught off guard if and when things crumble It will be difficult to achieve this task because no one wants to think about things falling apart before the marriage even begins and most certainly it sours the sweetness of the fantasy of the happily ever after as we know it What we don't realize is that there will be less bitterness and upset for the family especially for the children if we pursue this line of thinking Isn't that the real happily ever after

## Nice Book Motherhood Business Consumption Communication Privilege Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nice Book Motherhood Business Consumption Communication Privilege has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nice Book Motherhood Business Consumption Communication Privilege has opened up a world of possibilities. Downloading Nice Book Motherhood Business Consumption Communication Privilege provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nice Book Motherhood Business Consumption Communication Privilege has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nice Book Motherhood Business Consumption Communication Privilege. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nice Book Motherhood Business Consumption Communication Privilege. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To

ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nice Book Motherhood Business Consumption Communication Privilege, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nice Book Motherhood Business Consumption Communication Privilege has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
