The Night I Freed John Brown John Michael Cummings, 2008-05-29 A haunting adventure a brilliant new author Young Josh knows there is something about the tall Victorian House on the Harpers Ferry Hill the one his father grew up in that he can't quite put his finger on ghosts he can't name mysteries he can't solve And his impossible father won't give him any clues He's hiding something And then there's the famous John Brown The one who all the tourists come to hear about The one whose statue looms over Josh's house Why does he seem to haunt Josh and his whole family When the fancy Richmonds come to town and move right next door their presence forces Josh to find the answers and stand up to the secrets of the House to his father and to John Brown too The historic village of Harpers Ferry comes alive in this young boy's brave search for answers and a place of his own in this brilliant first novel by John Michael Cummings
