The Story Economy William Welser,2025-10-28 Regain Control Over Your Data Devices and Freedom How do you value your private data What about your job The truth is someone is selling your data and your job may be among the countless others being lost to AI at record rates Because of this abuse of technology among many others most people have lost all agency over their technology devices and information But technologist William Welser IV has a plan to help us regain control Enter The Story Economy a guide that provides fresh purchasing power in a world where opportunity feels harder and harder to grasp Within Welser outlines the need for an alternative economy where stories can become solutions to overwhelming new problems His entirely new marketplace allows us to use our stories as currency putting the data we ve voluntarily given to good use allowing us to purchase goods and services and giving us the power to see exactly where our data is going and to whom In this exciting and sometimes scary world of AI Big Tech is using all of its tools against us to create a society in which we re lonely broke and lost We must take back our power and make the technology work for us to close the healthcare education and wealth divide and in the process foster self awareness to help us become astute decision makers and stay ahead of technology With The Story Economy Welser provides the innovative blueprint to get started Pillow Talk vs. TikTok ANANT RAM BOSS,2025-09-16 Pillow Talk vs TikTok Why Couples Sleep with Phones More than Each Other and What to Do About It In a world where screens glow brighter than the moonlight love stories are no longer whispered between pillows but typed between notifications This book is not just about mobiles it is about us about how love laughter and even silence have been stolen by a buzzing rectangle in our palms Meet Arjun and Rhea a couple who once shared midnight secrets under warm blankets Now they share reels and memes lying back to back scrolling endlessly as if tomorrow depends on their For You page Rhea laughs at a cat video Arjun chuckles at a football meme and both forget that the person lying right beside them is the best story they ll ever have But this isn t a tale of blame It s a mirror held up with humour heart and a pinch of let s fix this mess together Through comic misadventures like when Arjun nearly proposes to Rhea by accident on a WhatsApp group and tender revelations when Rhea realises she misses Arjun s real smile more than his emojis this book explores how modern love is being rewritten one scroll at a time Here you ll find Funny yet painfully true stories of how mobiles sneak into our bedrooms playgrounds and even dinner plates Habits and small shifts that couples and families can adopt to reclaim intimacy like a ten minute phone free cuddle rule before bed Relatable characters whose everyday struggles mirror our own because who hasn t checked their phone while pretending to listen Emotional insights into what we truly crave connection attention and the feeling of being seen beyond the glow of a screen Pillow Talk vs TikTok is a witty heartfelt reminder that relationships don t run on Wi Fi they run on presence It asks when was the last time you looked into your partner s eyes instead of your notifications When was the last time silence felt comfortable not awkward This book doesn t

tell you to throw your phone away Instead it invites you to laugh cry and rediscover the art of being with each other in the most human cinematic and yes sometimes hilariously messy way possible Because love unlike TikTok doesn't need an algorithm to go viral
