longing the signature ingredients of my favourite beach reads Anything Annabel writes I m reading it Carley Fortune Benefits of a summer romance it s always fun always brief and no one gets their heart broken There aren t enough labeled glass containers to contain the mess that is Ali Morris s life Her mum died two years ago then her husband left and she hasn t worn pants with a zipper in longer than she cares to remember She s a professional organiser whose pantry is a disgrace No one is more surprised than Ali when the first time she takes off her wedding ring and puts on pants with hardware overalls count right she meets someone Or rather her dog claims a man for her in the same way he claimed his favourite of her three children by peeing on him Ethan smiles at Ali like her pants are just right like he likes what he sees The last thing Ali needs is to make her life messier but there s no harm in a little summer romance Is there The heart tugging and hilarious new book from the bestselling author of Same Time Next Summer and Nora Goes Off Script Annabel Monaghan has joined my shortlist of instant autobuy authors Her writing is packed full of chemistry and warmth and I could not put this book down Paige Toon

Manual of Romance Morphosyntax and Syntax Andreas Dufter, Elisabeth Stark, 2017-09-25 This volume offers theoretically informed surveys of topics that have figured prominently in morphosyntactic and syntactic research into Romance languages and dialects We define syntax as being the linguistic component that assembles linguistic units such as roots or functional morphemes into grammatical sentences and morphosyntax as being an umbrella term for all morphological relations between these linguistic units which either trigger morphological marking e g explicit case morphemes or are related to ordering issues e g subjects precede finite verbs whenever there is number agreement between them All 24 chapters adopt a comparative perspective on these two fields of research highlighting cross linguistic

grammatical similarities and differences within the Romance language family In addition many chapters address issues related to variation observable within individual Romance languages and grammatical change from Latin to Romance
