*How to Think Bigger* Martin Meadows,2015-07-04 How to Get More Motivated Set Bigger Goals and Achieve More by Thinking Bigger Have you ever wondered what separates people who think bigger from people who set their bar low What makes one person accept low standards and another person to constantly raise them Why does one person strive to build an international organization

affecting the lives of millions of people while another person is content working her entire life as a clerk Not that there s anything wrong with being a clerk Why is one person challenging herself to run marathons train her body and get fitter while another is happy living a sedentary unhealthy lifestyle What drives a person who s optimizing every single aspect of her life and what causes another person to maintain the status quo You can say Well the answer is simple enough one person is ambitious while the other one is not But what exactly causes it And most importantly how do you become more ambitious and think bigger Is it something you re born with and can t change or is it something over which you have control I found this topic so fascinating I decided to find out the answer for myself and write a book about it This book is the result of my research about people who think big and the science of being more ambitious Here are just some of the things you will learn from the book What key things you need to inspire yourself to think bigger and more importantly achieve your big goals Why you need a why and what kind of motivators will set you up for success hint attaining money or status are some of the least motivating goals possible The single most important thing to thinking bigger If you don t have it in your life you will sabotage your efforts guaranteed What the chimp is and why you need to learn how to control it to get yourself motivated and work on your big goals You can be making things hard for yourself without being aware of it How to cultivate the art of strategic laziness to achieve more while doing much less than other people why work so hard if you can get better results by being lazy The seven most important triggers of flow a state of perfect focus where the magic happens The secret of achieving the impossible is not really such a secret but most people tend to forget about it and get overwhelmed by their goals I wrote this book to increase my motivation teach myself how to think bigger and learn how to raise my standards I hope the answer I found will help you as much as it has helped me You can also learn how to find motivation to become the best version of you Scroll up and buy the book now For more free resources sign up for my self improvement newsletter <http://www.profoundselfimprovement.com/tba> Keywords how to think big how to get motivated how to get more motivation how to achieve goals how to set goals thinking bigger startup health teams inspiration big thinking achieving goals achieving the impossible how to be amazing how to be motivated motivational guide business motivational books business inspirational how to be a success how successful people think goal setting success ambition free permafrees *Data und Goliath - Die Schlacht um die Kontrolle unserer Welt* Bruce Schneier, 2015-10-12 Wenn man online ist sein Smartphone einschaltet oder mit der Kreditkarte bezahlt Auf Schritt und Tritt gewollt und ungewollt hinterl sst man automatisch seinen digitalen Fingerabdruck Das ist inzwischen zumindest bekannt nicht zuletzt durch die Enth llungen von Edward Snowden Weniger bekannt und bewusst ist in welchem nahezu unglaublichen Umfang diese Daten und Informationen global gespeichert ausgewertet und von Regierungen und Unternehmen gesammelt oder ge bzw verkauft werden Je mehr Daten desto mehr Macht so definiert sich heute Weltherrschaft Der international bekannteste Sicherheitsexperte Bruce Schneier enth llt das volle Ausma dieser Datenschiebereien Er reklamiert fehlende Kontrollmechanismen und prangert den globalen Missbrauch
