The Apple of Love Karen Knutson,2010-08-25 The main plot of Th e App le of Love is based on a true story During the Great Depression Harry and Emily had a fi ve year love affair as young adults that reignites sixty years later when Harry s wife is in a nursing home The drama unfolds through the eyes of an old man his convalescent wife and their daughter Marie Marie uses her perception of what her parents experienced her understanding of what they told her and her wild imagination to tell the story Pivoting and Producing for Online TV Alexa Scarlata,2025-05-02 The introduction and diffusion of

international subscription video on demand SVOD services in the 2010s represented the most significant disruption of established national broadcast and pay TV ecologies in their long history Using an in depth Australian case study this book narrates this profound period of proliferation It also considers how incumbent commercial networks pay TV providers and public service broadcasters developed into online TV providers albeit in assorted ways In so doing it conceives of the early impact of online TV 2015 2020 more broadly and acknowledges the role of both new and old TV players The industry wide shift towards online TV over this period also impacted existing television drama production cultures SVOD services provided a fruitful avenue for the distribution of existing archives and slowly began to support the production of new Australian content with an increasingly global focus However the formal arrival of online TV certainly did not usher in the boom in original local television drama many anticipated Pivoting and Producing for Online TV Australia s Transition advances the macro analysis of television production strategies This book will be useful to students and researchers interested in media film and cultural studies Macworld ,2000 *FCC Record* United States.
