TikTok Revolution Glen Perslow, 2025-03-02 Is TikTok merely a platform for viral dances and fleeting trends or is it a harbinger of a profound shift in how we communicate consume and create culture TikTok Revolution delves into the multifaceted phenomenon of TikTok examining its short video format its powerful algorithmic recommendations and its undeniable cultural impact particularly on youth These elements are critical to understanding not just the app s popularity but also its broader implications for society technology and human interaction This book provides critical context by exploring the evolution of social media and the rise of mobile video It analyzes how TikTok s format differs from predecessors like Vine and YouTube and considers the technological advancements that made its algorithmically driven personalized feeds possible No prior technical expertise is required the book demystifies complex algorithms and technological processes making them comprehensible to a broad audience The central argument posits that TikTok represents a fundamental change in content creation and consumption driven by its short form video format and algorithm centric design This shift has consequences for attention spans cultural trends and the very fabric of online communication This argument is important because it challenges conventional understandings of social media which often focus on user agency and social connections instead highlighting algorithmic influence and the cultural shifts it produces The book unfolds in three major parts Part one introduces TikTok s core features and their technical underpinnings detailing the architecture of the recommendation algorithm and its effect on user experience Part two explores the cultural ramifications of TikTok analyzing its influence on music dance fashion and language It examines how trends emerge and spread across the platform and considers the implications for youth culture and identity formation Part three examines the broader societal impact It analyzes the platform s role in political activism advertisement and global communication It considers the controversies surrounding data privacy censorship and the potential for algorithmically driven manipulation The book culminates by considering the future of social media in a TikTok dominated world and offers insights into its potential evolution The arguments are supported by a variety of evidence including platform data social media analytics academic research from sociology communication studies and computer science and original interviews with TikTok users and content creators The book also draws from internal company documents and industry reports to paint a comprehensive picture of the platform s operations TikTok Revolution connects to several interdisciplinary fields Firstly it intersects with media studies by offering a

contemporary case study of how new media technologies shape content creation and consumption Secondly it connects to sociology through its exploration of youth culture identity formation and social trends within the digital landscape Finally it is relevant to the field of computer science through its analysis of algorithms artificial intelligence and personalized recommendation systems These interdisciplinary connections enrich the book s analysis and make it valuable to a diverse readership The book adopts a balanced and analytical tone presenting information objectively while acknowledging the complexities and controversies surrounding TikTok The writing style is accessible avoiding jargon and technical terms where possible while maintaining academic rigor The target audience comprises students educators researchers policymakers and anyone interested in understanding the cultural social and technological implications of social media The book will appeal to individuals seeking a comprehensive understanding of the impact of TikTok on society technology and culture As a work of social science and technology this book adheres to the genre s emphasis on empirical evidence systematic analysis and theoretical frameworks The scope of TikTok Revolution is broad covering the platform s technological underpinnings cultural influence and societal impact However it is limited by its focus on TikTok as a specific case study without necessarily generalizing to all social media platforms Ultimately TikTok Revolution aims to provide readers with a nuanced understanding of the complex forces shaping the digital landscape By unpacking the mechanics of TikTok and its influence on culture and society it equips readers with the knowledge to navigate this rapidly evolving world and to critically assess the role of social media in their lives The book hopes to encourage a well informed and critical perspective on the future of social media technology and society The book addresses ongoing debates about the effects of short form video on attention spans the ethical implications of algorithmic amplification and the potential for social media to be used for manipulation and misinformation It acknowledges the complexities of these debates and presents diverse perspectives encouraging readers to form their own informed opinions

TikTok - Memefication und Performance Friederike Fischer,Simon

Meier-Vieracker,Lisa Niendorf,2025-08-02 Gegenstand des interdisziplinären Open Access Bandes ist die Videoplattform TikTok die als eines der meistgenutzten Sozialen Netzwerke große gesellschaftliche Relevanz entfalten konnte und insbesondere in außer schulischen Bildungsbereichen eine zunehmend wichtige Rolle spielt Nach anfänglichem Alarmismus einerseits und Marginalisierung als reines Spati medium andererseits wird TikTok insbesondere in internationalen Forschungskontexten längst als kulturwissenschaftlicher Gegenstand ernst genommen Die auf TikTok zu beobachtenden kommunikativen Praktiken und Genres in denen aktuelle Ereignisse und Diskurse in plattformtypischer Weise verhandelt und performativ in Szene gesetzt werden führen stärker noch als andere Soziale Medien die Zeichenmodalitäten Bild Ton und Sprache zusammen und eröffnen dadurch neue Optionen der Vermittlung der diskursiven Aneignung und der sozialen Repräsentation Die grundlegenden Affordanzen der Plattform insbesondere die Möglichkeit zu bestehenden Sounds neue Videos zu produzieren begünstigen dabei einen stark von Intertextualität Intermedialität und Imitation geprägten Modus von

Inszenierung und Performance der im Anschluss an neuere Forschungen zu digitalen Bild Praktiken als Memefication bezeichnet werden kann Der Band fragt deshalb danach wie sich das multimodale Mediensetting von TikTok im Spannungsfeld von Memefication und Performance zu einer charakteristischen Form vernetzter Öffentlichkeit ausgestaltet und welche Vermittlungsoptionen in verschiedenen Praxisfeldern sich hierbei ergeben Dafür werden unterschiedliche wissenschaftliche Perspektiven gebündelt welche die Videoplattform als empirischen Untersuchungsgegenstand erschließen und hierfür geeignete theoretische Konzepte und methodische Zugänge entwickeln Inhaltlich umfasst der Band Beiträge aus den Sprach Kommunikations und Medienwissenschaften der Film und Musikwissenschaft der Ingenieurwissenschaft sowie didaktischen und erziehungswissenschaftlichen Disziplinen die in drei Teilen miteinander in Bezug gesetzt werden Neben TikTok spezifischen digitalen Praktiken gilt das Interesse dem Status der Plattform in Vermittlungs und Bildungskontexten sowie in der Wissenschaftskommunikation
