Needs Assessment Phase Ii Collecting Data 3 Needs Assessment Kit:

Needs Assessment Phase I James W. Altschuld, J. N. Eastmond, Jr., 2010 Frequently starting a meaningful needs assessment is problematic This book focuses on numerous approaches for doing just that Its content includes such things as the cultural audit initial scaled or open ended questionnaires for use by the group guiding the assessment how to select members of that group and how to organize its endeavors techniques for conducting collaborative ventures across organizations sources of available information that might be used early in the process and so forth The emphasis is on collecting existing information before going to the expensive process of creating new data Decisions coming from Phase 1 are described

Needs Assessment Phase I James W. Altschuld, J. N. Eastmond, Jr., 2009-11-17 The Authors have done a good job of conveying the nuts and bolts of the process and problem situations that can arise from political and social conditions Stephanie Brzuzy Xavier University The authors offer a nice overview of the process involved in developing and conducting needs assessments They make a cogent argument for the importance of identifying and addressing potential barriers to conducting a worthwhile needs assessment Melanie Otis University of Kentucky Although this book can be used in a stand alone fashion it is part of the Needs Assessment KIT five interrelated and sequenced books that take the reader through the needs assessment process ISBN 978 0 7619 2595 8

Needs Assessment James W. Altschuld, David Devraj Kumar, 2010 In 1995 Witkin and Altschuld proposed a three phase process model of needs assessment Preassessment learning as much as possible from existing inexpensive sources Assessment collecting new information about the needs in consideration Postassessment prioritizing needs understanding their causes and translating priorities into action plans for organizations The model has been extensively re conceptualized and forms the basis for this book The content includes a user oriented approach to a comprehensive overview of the three phases and the 14 key steps necessary to implement them Numerous examples and practical illustrations are given throughout the text as guidance for needs assessors and those who do research on the topic An extensive glossary of needs related terms and an outline of a final report are also provided The book is the first one in the Needs Assessment KIT with connections to the other four
