Educational Film/video Locator of the Consortium of University Film Centers and R.R. Bowker Consortium of University Film Centers,1986 **Nefertiti, Queen and Pharaoh of Egypt** Aidan Dodson,2020-10-06 Egypt's sun queen magnificently revealed in a new book by renowned Egyptologist Aidan Dodson During the last half of the fourteenth century BC Egypt was perhaps at the height of its prosperity It was against this background that the Amarna Revolution occurred Throughout its instigator King Akhenaten had at his side his Great Wife Nefertiti When a painted bust of the queen found at Amarna in 1912 was first revealed to the public in the 1920s it soon became one of the great artistic icons of the world Nefertiti's name and face are perhaps the best known of any royal woman of ancient Egypt and one of the best recognized figures of antiquity but her image has come in many ways to overshadow the woman herself Nefertiti's current world dominion as a cultural and artistic icon presents an interesting contrast with the way in which she was actively written out of history soon after her own death This book explores what we can reconstruct of the life of the queen tracing the way in which she and her image emerged in the wake of the first tentative decipherment of Egyptian hieroglyphs during the 1820s 1840s and then took on the world over the next century and beyond All indications are that her final fate was a tragic one but although every effort was made to wipe out Nefertiti's memory after her death modern archaeology has rescued the queen pharaoh from obscurity and set her on the road to today's international status **Forgotten Egypt II - Nefertiti** Ruowen Huang,2013-12 This second book in the Forgotten Egypt series is about destiny love and hope Follow the journey of Nefayati as she transforms from a slave girl into one of the most well known queens of ancient Egypt Nefertiti Then follow the love story of Akhenaten and Nefertiti as they go against all tradition and lead the revolutionary change to create one of the most astonishing and fascinating kingdoms during their reign But will their hopes of transforming ancient Egypt be considered too drastic Will their love endure and can he protect her from their enemies Will her true identity be revealed and exposed What will happen to them and their legacy Let Forgotten Egypt II Nefertiti slowly unveil the mysterious life of Queen Nefertiti
