Choose Your Own Minecraft Story: the Zombie Adventure 3 John Diary,2017-12-12 There s only

one place to find the blaze rods you need to finish the portal that will take you home the land of fire and stone known as the Nether In the next instalment of the best selling series you take your journey to one of the most dangerous places in the world of Minecraft The nether is full of fire floating islands oceans of lava Even the stones on the ground are on fire here And the citizens of this realm are no more friendly There s a tribe of zombie pigmen that can t decide whether they want to make you their king or sacrifice you to the volcano And a gang of very bored and very irritated blazes who will turn you into a pile of ash if you even breath wrong And just when you thought it couldn t get worse you ve been tasked with babysitting a villager kid who s scared of his own shadow How could things get any worse This will be your hardest challenge yet You ve had two books to practice now apply everything you know about Minecraft to choose your way through the stories in this book and see if you can find those blaze rods and get out alive Excerpt You stand beside the old woman at the top of the stairs looking down at the pool of lava beneath you Actually it s the square of strange stone blocks above the pool that interests you Each one has an open socket in it begging to be filled I m working on it you think This is an end portal or it will be once you fill those open sockets with the Eyes of Ender that they desire And then you can leap through the portal and go to the End and then maybe finally you ll be able to go home You look down at your zombie hands It s hard to get used to being a zombie and it s not necessarily your favourite thing in the whole world The worst part is the nagging desire to eat everybody that you see You look over at the old woman She is staring out at the pool of magma thoughtfully Friend not food you remind yourself Isn t it beautiful she says as you lick your lips You quickly wipe your mouth and straighten up Mhmm yes you say quickly And then you think about it Wait you can t see you remind the old villager She turns to you with an unimpressed look Yes I know that but I mean the idea of it the power of it It s a portal that takes you to a different world She raises her hands into the air as she talks Isn t that beautiful You bite your green lip Well you know I actually come from a totally different world that isn t like this one at all you say Everything isn t so blocky like this I mean it s really different And I just fell asleep playing Minecraft one night and woke up here So portals between worlds are kind of boring for me Fine she says looking unimpressed You re kind of a party pooper Rodney did you know A little smile tugs at the corner of her lips You still aren t used to people calling you by your zombie name it feels weird Hey you say indignantly but you re not really bothered The old villager Madame Mole doesn t mean you any harm She s already helped you out a bunch and she s about to help you some more She s doing all she can to get you home She brought you here because she said that she had something for you that might help on your journey Madame Mole turns and stares out again over the portal You tap your foot a bit and look around The elder golem from earlier is still standing in the room totally still like a statue That guy s weird you think Do you wait for Madame Mole s help to arrive or do you head out on your own Make your choice and continue the story inside
