Hockey Drills for Passing & Receiving George

Gwozdecky, K. Vern Stenlund, 1999 In hockey the team that has mastered skillful puck movement usually comes out on top Whether you're attacking the goal or maneuvering out of a compromising situation near the opponent's goal sharp passing and receiving skills are vital weapons that can consistently carry your team to victory Hockey Drills for Passing Receiving provides all the expert instruction you need to get your team passing and receiving the puck like a well oiled machine The book includes 75 drills many of which can be applied to both in line and ice hockey Backed by the sport's premier provider of coach and player instruction Huron Hockey Hockey Drills for Passing Receiving teaches how to develop individual skills and use them within a team concept In addition to improving puck movement in the offensive zone the drills also focus on the all important transition game where much of the action takes place during a match Expert instructors George Gwozdecky and Vern Stenlund provide the key teaching points and practice activities to hone players abilities to move and keep possession of

the puck Drills within each chapter start basic then increase in difficulty to provide a wide range of challenges and learning situations Each drill is accompanied by special coaching tips to correct common errors and maximize players performance Any player has the potential to master passing and receiving the puck With Hockey Drills for Passing Receiving you will boast better puck movement than the rest and dominate on the ice

Multidimensional Hockey Drills and Training Jukka Aro,2019-04-15 How should a modern hockey drill and practice look like How much does the console games affect your players and in what way something negative or is it an opportunity What can we hockey coaches learn from the world of console games These are questions that are handled in the book and transferred as practical examples to hockey drills Personally I am not a big fan of console games even if it can sometimes surely be perceived that way in the book For example I would prefer that my own children were more physically active than they are right now Probably I m not alone about that idea But I try to understand see the possibilities and handle the new challenges as a parent and coach and share these lessons connections development and opportunities for you as a hockey coach and or parent How do you change a one dimensional hockey drill to a modern multidimensional hockey drill Or what components are needed in a modern skill developing hockey drill Learnings from console games are transferred in practice to your on ice drills and off ice practices with over 200 hockey drills in the end
