Ebook: Life-Span Development Santrock,2016-09-16 Ebook Life Span Development Positive Mantra Dr Gautam Chattopadhyay,2015-04-29 Today our world is rapidly changing and the entire global society is in the fast mode of transition Technology and the E factor have penetrated every home and the world of Corporate has become an ever advancing technological hub Some brains are successfully cruising through these advancements and some are marginalized as they are unable to cope up and feeling the awe Nevertheless the progress of the civilization is soaring high yet leaving behind the traces of conflicts chaos and contradictions as we see the stories of brains having great potential are undergoing Personality Crashes Isolations and loneliness have become human beings second nature Moreover in this world negative forces emitting out of the marginalized situation are actually slowing down the progress as we always need the stimulants to invoke positivism in our inner mind and put up a brave face to the world This book Positive Mantra does this job of stimulant in the larger sense of the word and works as a catalyst Positive Mantra attempts to redefine Self Management It facilitates a self talking methodology with the objective of Art of Thinking and Science of Living Positive Mantra provides a conceptual corridor to broaden our perceptions about the life of the self It also ties the loose ends of the inner self and fragmented outer self The method of Positive Mantra is peeling off words and bringing about a series of statements propelling from the given definitions of the very word Yet the proximity of content and context never loses its sight while enlarging the dynamic insight This allows the process of learning and unlearning celebrating success and absorbing failures alongside exploring various elements of hidden talents of the self Introspection has all the answer to the self this is stressed upon by subtly opening up of small windows of hidden wisdom within Thus Positive Mantra allows a LIVE connectivity with the inner self which are the corner stone of our life and living Positive Mantra attempts to harmonize the outer world with the inner self and becomes a friend in need and would prove to be a friend indeed and stays with you as a companion for life This book is a humble effort to enthuse and equip the army of professionals students and even mid career people to achieve the excellence in life and leave behind their imprints of creativity EBOOK: Human Communication: South African edition Stewart Tubbs,Sylvia Moss,Nicolette Papastefanou,2012-05-16 The new South African edition of Tubbs and Moss offers examples applications and cases tailored to the local market whilst retaining the successful focus on the principles and contexts of communication studies The authors link theory and research with fundamental concepts and create plentiful opportunities for students to apply their understanding and develop useful communication skills The new edition is fully updated with the most up to date research and examples with a strong focus on cultural diversity technology and local applications

Disclosing Sexual Violence in a Digital Society Tully O'Neill,2024-11-15 This book examines the various ways that victim survivors disclose sexual violence in digital settings and theorizes the extent to which these practices constitute a new and informal justice occurring in digital space It features qualitative research interviews conducted with victim survivors who

disclosed sexual violence online and analyzes digital spaces utilized by survivors for the purposes of support healing and connection The volume provides insight into how and why victim survivors use digital technologies to pursue justice and the decision making processes they undertake in order to navigate digital space after sexual violence It expands on the theorization of informal justice in digital society and its potential implications It focuses particularly on the experiences of justice for victim survivors in the aftermath of sexual violence highlighting the complexities of disclosing rape sexual assault and abuse in digital space

Key To Happiness: Unlock Yourself | True Victory Lies in Preserving Your Sweetness Amid All The Bitterness of Life Era Tak, Major Gaurav Tak (Army Veteran), 2025-01-30 Time taught me how to live with grace While I kept honing my skills in every space Life does not teach us anything easily whatever we learn over time gets recorded in our DNA Looking at yourself recognising your strengths and weaknesses continuously trying to improve yourself this is a continuous process Everyone's journey through life is unique each person's struggles pain circumstances and resilience are different However courage remains a universal remedy This book reflects real life experiences which may also prove valuable to you It's not always necessary to stumble yourself to learn something new we can often learn to protect ourselves by observing the wounds of others Throughout the day countless negative unpleasant and disturbing thoughts may arise in our minds They should come and go as they please dwelling on them only depletes us It is only positive thoughts that replenish our energy

When Living, Rest In Peace Ankush Garg, 2023-06-14 We all are on this planet for 70 years on an average where we allow our minds to be shaken up by people words materialism and unpleasant situations When pain occurs in our body we take pain killers to instantly heal it But when we are shaken up deeply by People words and actions Materialism and unpleasant Situations What is the instant solution to recover from such an intense shake up Scenario Imagine you walk into a building not knowing its name and somebody starts yelling at you and picks a fight with you What would your reaction be At first you might try to pacify the other person but if the other person is getting more aggressive abusive and starts fighting with you you might defend fight yell and in the end try to escape the situation How you felt You fought yelled filled yourself with anxiety rage anger in replying to that person Now that you are outside of the building you read the building's name Mental Hospital What is your reaction now Now that your mind has slowed down and is calm knowing the people in this institution might behave in a certain way acceptance dawns on us We don't react to unwell people nor do we engage aggressively with them Can we allow our mind to rest in peace while we are living on this beautiful Earth Yes We have all the pragmatic wisdom here inside as an Unshakeable's guide

Digital Sociology in Everyday Life Jessie Daniels, Karen Gregory, Tressie McMillan Cottom, 2016-11-18 Digital technologies digital media and mobile technologies now shape the experience of everyday life in the Western world yet the way our quotidian lives are enmeshed with these technologies is far from clearly understood Through studies of the digital everyday sociologists are beginning to reinvigorate the sociological imagination in light of digitization Chapters in this Byte cover topics such as designing a research framework

and how to work ethically as a digital researcher continually interrogating one's position as a researcher and reflecting on the process of knowledge creation Cumulatively they highlight the value of sociological theory for understanding our digital world

Explorations in Personality the late Henry A. Murray, 2007-11-01 *Explorations in Personality* published by OUP in 1938 established an elaborate agenda for understanding our subjective human nature that is as relevant to students of personality psychology today as it was to its audience then An antidote to the now fashionable strategy of representing a person as a dot on a scatter plot or burying the individual in an amalgam of statistics it advocates whole person research and bubbles with suggestions about how to perform such studies IN addition it actually executes with empirical and experimental rigor and ingenuity the kind of detailed engrossing case study approach it recommends recounting the results of a three year long study of fifty college age individuals This book is in short a classic This reissue enhanced by Dan McAdams foreword which will provide a contemporary evaluation of Murray's achievement will thus be of great interest to students and researchers in personality psychology in general and personologists in particular
