Negotiation Processes For Problem Solving Casebook Series:

Negotiation Carrie Menkel-Meadow, Andrea Kupfer Schneider, Lela Porter Love, 2014 A distinguished team of leaders in the field of dispute resolution offers a thorough treatment of negotiation skills ethics and problem solving techniques Comprehensive and current Negotiation Processes for Problem Solving covers the Principled Negotiation and Mediation in the International Arena Paul J. Zwier, 2013-04-22 This book argues that it can be beneficial for the United States to talk with evil terrorists and other bad actors if it engages a mediator who shares the United States principles yet is pragmatic It shows how the US can make better foreign policy decisions and demonstrate its integrity for promoting democracy and human rights by employing a mediator who facilitates disputes between international actors by moving them along a continuum of principles as political parties act for a country's citizens This is the first book to integrate theories of rule of law development with conflict resolution methods and it examines ongoing disputes in the Middle East North Korea South America and Africa It draws on the author's experiences with The Carter Center and judicial and legal advocacy training to provide a sophisticated understanding of the current situation in these countries and of how a strategy of principled pragmatism will give better direction to US foreign policy abroad

Casebook of the Brief Psychotherapies Richard A. Wells, Vincent J. Giannetti, 2013-11-11 Following the publication of the Handbook of the Brief Psychotherapies Wells Giannetti 1990 the editors began to conceptualize the idea of a collection of case studies encompassing a number of the commonly encountered clinical problems that have been treated with such approaches The Casebook of the Brief Psychotherapies is the result The Case book details clinical interventions with client populations as diverse as substance abusers torture victims the physically handicapped and other exceptional groups and the economically disadvantaged with emotional and behavioral problems as well as individuals experiencing sexual dysfunction or eating disorders In addition topics such as bereavement depression anger and many crucial aspects of marital and family therapy are discussed by eminent clinical practitioners Although the cases draw heavily upon cognitive behavioral and strategic structural formulations psychodynamic interpersonal and experiential approaches are also included The Casebook is clinically oriented with a minimum of theory Ample case material and commentary allow the reader to experience directly the application of brief therapy to specific client problems What emerges from this compendium of approaches and problems is a tapestry of action oriented problem solving skill building rational approaches to therapy that balance the client's ability to change with the demands and limits of time
