Setting Your Course Dr. Greg Bourgond, 2014-03 God is very clear about His purposes for you. If you want to live a meaningful life, it must be aligned with His purposes. You have a unique purpose to fulfill a committed passion to embrace a role to perform, unique methodologies, a personal toolkit to employ, and an ultimate contribution to make. In *Setting Your Course*, author Dr. Greg Bourgond seeks to help you set your course, find focus for your life, engage in God's journey for you, and finish your journey well. He employs a three-part process to influence you to live all out for Christ: the compass, map, and guide. The compass explains the importance of orienting your life in accordance with established biblical compass points. The map defines the trajectory you are to follow based on how God has wired you. The guide stresses the importance of being mentored and mentoring others. *Setting Your Course* helps you formulate a deliberate strategy for determining your purpose, assists you in aligning your life according to God's plan, encourages you to become a proactive partner in fulfilling God's purposes, and redemptive activity, and exhorts you to leave a worthwhile legacy in the lives of others.

The TRUE Bible Timeline R. Craig Bridgforth, 2021-03-10 It is becoming increasingly popular among the intelligentsia to claim that treasured Bible history is nothing more than a myth. Proponents conclude that since the church is unsure of when these events transpired, perhaps they never happened in the first place. Unfortunately, this alarming trend appears to be gaining more acceptance in our seminaries and churches. *The True Bible Timeline* seeks to dispel such notions by providing an accurate resource to properly date the Old Testament. The result of a five-year-long project, it accurately establishes and painstakingly documents the dates of key Bible figures and events, starting with the Creation of Adam and ending at the Cross of Christ. The complete chronology for 200 Bible events is included in the appendix. Guided by His Wisdom, author R. Craig Bridgforth built this timeline through a meticulous process that allowed him to produce a trustworthy and accurate resource that will enrich studies of the Old Testament with new understanding and insight. Developed almost entirely from Scripture, this reference guide provides a reliable chronology of events and figures from the Old Testament.

Acts from Scratch Donald L. Griggs, Paul W. Walasky, 2014-01-01 Building on the foundation of the popular volumes *The Bible from Scratch: The Old Testament for Beginners* and *The New Testament for Beginners*, Donald Griggs and Paul Walasky offer a new study on the book of Acts. In seven chapters, Griggs and Walasky tell the story of this popular New Testament book with its stories of the

works of Jesus disciples after his death resurrection and ascension A leader s guide and participant section are included making this volume an excellent resource for group or individual study **Believer's Bible Commentary** William MacDonald,2016-08-16 Make Bible study a part of your daily life with the thorough yet easy to read commentary that turns complicated theology into practical understanding The second edition of Believer s Bible Commentary is a one volume guide that helps the average reader develop basic knowledge of the Bible This commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study Believer s Bible Commentary gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version *A Marriage Covenant: Not For Women Only* Linda Anderson,2017-07-05 Have you ever wondered why the Bible contains certain specific elements such as the proliferation of the numbers seven or ten Or why Peter and Andrew caught specifically 153 fish when Jesus told them to put their net on the opposite side of the boat I wondered That curiosity led me to a bigger change in my understanding of scripture than I could have imagined It literally revolutionized my bible study practice I am going to let you in on the secret It is learning to see Scripture through more of a Jewish mindset Jesus was Jewish and so was the majority of his audience and the majority of the authors that wrote the Bible That culture is far different from ours Therefore it behooves us to attempt to learn something of what Jesus Christ and writers of the word meant when they penned their words As a serious student of the word I have spent over twenty years examining and teaching on God s marriage covenant from that perspective Many of the theories we have been taught about prophecy the rapture or lack thereof are brilliantly clear in meaning when we look at them through eyes that understand Jewish culture and the true meaning of the concept of covenant in Hebrew **52 Weeks through the Bible** John F. MacArthur,2024-12-31 Journey through the Bible in a year Discover what it says Apply it to your life in a deeper way than ever before Have you ever started reading the Bible only to get lost lose steam become distracted Do you want to develop a habit of faithfully reading God s Word but the task seems too daunting Based on more than fifty five years of teachings from bestselling author and pastor John MacArthur this year long pilgrimage through Scripture includes A daily plan to help keep you on track to read through the Bible in one year Devotional readings based on John MacArthur s teachings on key portions of Scripture Reflections and questions to help you apply the message to your life Weekly study questions to test your knowledge on what you ve read Maps and charts to help you grasp the material in visual form Every phrase every verse every chapter and every book in the Bible comes from God Himself It is the only way that we can know God and know His will for our lives Because of this we

should develop a habit of reading God's Word every day to grow in faith and righteousness and to deepen our relationship with Jesus. So take it a day at a time. Give yourself grace but take your faith seriously. 52 Weeks through the Bible serves as your guide providing context helping you form a routine and deepening your knowledge. **Pearls of Wisdom Bible** Dr. Amos L.
