Broadband Policies for Latin America and the Caribbean A Digital Economy Toolkit OECD, Inter-American Development Bank, 2016-06-22 This joint initiative by the Inter American Development Bank IDB and the OECD seeks to encourage the expansion of broadband networks and services in the region supporting a coherent and cross sectorial approach to maximise their benefits for economic and social development

America's Digital Army Robertson Allen, 2017-07 America's Digital Army is an ethnographic study of the link between interactive entertainment and military power drawing on Robertson Allen's fieldwork observing video game developers military strategists U S Army marketing agencies and an array of defense contracting companies that worked to produce the official U S Army video game America's Army Allen uncovers the methods by which gaming technologies such as America's Army with military funding and themes engage in a militarization of American society that constructs everyone even nonplayers of games as virtual soldiers available for deployment America's Digital Army examines the army's desire for talented soldiers capable of high tech work beliefs about America's enemies as reflected in the game's virtual combatants tensions over best practices in military recruiting and the sometimes overlapping cultures of gamers game developers and soldiers Allen reveals how binary categorizations such as soldier versus civilian war versus game work versus play and virtual versus real become blurred if not broken down entirely through games and interactive media that reflect the U S military's ludic imagination of future wars enemies and soldiers

A History of Television News Parody in America Curt Hersey, 2022-07-26 In this book Curt Hersey explores the history of U S media demonstrating how news parody has entertained television audiences by satirizing political and social issues and offering a lighthearted take on broadcast news Despite shifts away from broadcast and cable delivery comedians like Samantha Bee Michael Che and John Oliver continue this tradition of delivering topical humor within a newscast format In this history of the television news parody genre Hersey critically engages with the norms and presentational styles of television journalism at the time of their production News parody has increasingly become part of the larger journalistic field with viewers often turning to this parodic programming as a supplement and corrective to mainstream news sources Beginning in the 1960s with the NBC program *That Was the Week That Was* the history of news parody is analyzed decade by decade by focusing on presidential and political coverage as well as the genre's critiques of television network and cable journalism Case studies include *Saturday Night Live*'s *Weekend Update* HBO's *Not Necessarily the News* Comedy Central's original *Daily Show* *The Daily Show* with Jon Stewart and *The Colbert Report* and HBO's *Last Week Tonight with John Oliver* Scholars of media history political communication and popular culture will find this book particularly useful

Cruising America On-Line 2.5 Grace J. Beatty, Grace Joely, 1995 Bestselling authors Dr Gardner and Dr Beatty present a revision of the original *Cruising America On Line* This new Visual Learning Guide will teach the reader about the updated version of AOL Easy to follow screen shots that show the reader exactly what will appear on their computer screen help to make this an ideal

guide for the beginning to intermediate user *Global Risk Agility and Decision Making* Daniel Wagner, Dante Disparte, 2016-08-12 In *Global Risk Agility and Decision Making* Daniel Wagner and Dante Disparte two leading authorities in global risk management make a compelling case for the need to bring traditional approaches to risk management and decision making into the twenty first century Based on their own deep and multi faceted experience in risk management across numerous firms in dozens of countries the authors call for a greater sense of urgency from corporate boards decision makers line managers policymakers and risk practitioners to address and resolve the plethora of challenges facing today s private and public sector organizations Set against the era of manmade risk where transnational terrorism cyber risk and climate change are making traditional risk models increasingly obsolete they argue that remaining passively on the side lines of the global economy is dangerous and that understanding and actively engaging the world is central to achieving risk agility Their definition of risk agility taps into the survival and risk taking instincts of the entrepreneur while establishing an organizational imperative focused on collective survival The agile risk manager is part sociologist anthropologist psychologist and quant Risk agility implies not treating risk as a cost of doing business but as a catalyst for growth Wagner and Disparte bring the concept of risk agility to life through a series of case studies that cut across industries countries and the public and private sectors The rich real world examples underscore how once mighty organizations can be brought to their knees and even their demise by simple miscalculations or a failure to just do the right thing The reader is offered deep insights into specific risk domains that are shaping our world including terrorism cyber risk climate change and economic resource nationalism as well as a frame of reference from which to think about risk management and decision making in our increasingly complicated world This easily digestible book will shed new light on the often complex discipline of risk management Readers will learn how risk management is being transformed from a business prevention function to a values based framework for thriving in increasingly perilous times From tackling governance structures and the tone at the top to advocating for greater transparency and adherence to value systems this book will establish a new generation of risk leader with clarion voices calling for greater risk agility The rise of agile decision makers coincides with greater resilience and responsiveness in the era of manmade risk How to Use America Online Elaine Madison, 1996 The new fully expanded version of this guide focuses on America s number one online service How to Use America Online gives details on AOL s exclusive Internet Connection Newsgroups Gopher mailing lists and more are all described to help readers navigate the Net

Export America , 2000 **Is This America?** Ron Eyerman, 2015-09-01 From police on the street to the mayor of New Orleans and FEMA administrators government officials monumentally failed to protect the most vulnerable residents of New Orleans and the Gulf Coast during the Katrina disaster This violation of the social contract undermined the foundational narratives and myths of the American nation and spawned a profound often contentious public debate over the meaning of Katrina s devastation A wide range of voices and images attempted to clarify what happened name those responsible identify

the victims and decide what should be done This debate took place in forums ranging from mass media and the political arena to the arts and popular culture as various narratives emerged and competed to tell the story of Katrina Is This America explores how Katrina has been constructed as a cultural trauma in print media the arts and popular culture and television coverage Using stories told by the New York Times New Orleans Times Picayune Time Newsweek NBC and CNN as well as the works of artists writers musicians filmmakers and graphic designers Ron Eyeran analyzes how these narratives publicly articulated collective pain and loss He demonstrates that by exposing a foundational racial cleavage in American society these expressions of cultural trauma turned individual experiences of suffering during Katrina into a national debate about the failure of the white majority in the United States to care about the black minority

China's Super Consumers Savio Chan, Michael Zakkour, 2014-09-03 Chinese Consumers are Changing The World Understand Them and Sell To Them China has transformed itself from a feudal economy in the 19th century to Mao and Communism in the 20th century to the largest consumer market in the world by the early 21st century China's Super Consumers explores the extraordinary birth of consumerism in China and explains who these super consumers are China's Super Consumers offers an in depth explanation of what's inside the minds of Chinese consumers and explores what they buy where they buy how they buy and most importantly why they buy The book is filled with real world stories of the foreign and domestic companies leading brands and top executives who have succeeded in selling to this burgeoning marketplace This remarkable book also takes you inside the boardrooms of the people who understand Chinese consumers and have had success in the Chinese market A hands on resource for succeeding in the Chinese marketplace Filled with real world stories of companies who have made an impact in China Discover what the Chinese consumer wants and how to deliver the goods Written by Savio Chan and Michael Zakkour two leading experts on the Chinese market This book is an invaluable resource for anyone who wants a clear understanding of how China's Super Consumers are changing the world and how to sell to them
