college degree levels and websites to use so you don't have to look everything up yourself. You don't have to remember everything now. You can go back to the book again and again when you need the information. For the maze of selective college applications, admissions, and choices, the Starter Guide explains the basics and then provides a detailed analysis of the situation, presents a detailed plan of action, and points you to some of the best sources for even more information to complete a serious run for the Ivies and the other top 50 to top 150 colleges. But the great options of public colleges aren't neglected as the benefits of community colleges, public honors colleges, tuition discounts in nearby states, affordable regional colleges, and flagship universities are explained. Finances and financial aid are covered with estimates of what to expect from both public and private colleges with examples for various household income levels. Students and parents will find advice on how to meet admissions staff. Learn how to build an impressive record based on what the colleges are looking for. Students will find practical advice on how to make the best impression with their attire, conversational interactions, paperwork, and correspondence. Learn which questions to ask and how to best convey your story while knowing what things to avoid doing, and there are a few. High school guidance counselors will like the reference information on testing, test by test, 8th grade to 12th grade, in reference summary pages and admissions statistics. The book covers test schedules, reporting fees, fee waivers, test cancellation procedures, information websites, admissions events, admissions statistics for 120 colleges in one spot; the publisher looked them up and calculated them so you don't have to. See about fine print admissions details like the lowest test scores for admissions at a college. The Starter Guide to College for Clueless Students/Parents is a good value. It doesn't have to be read all at once but can guide a student and the parents as time passes, even loaned to others. **Psat/nmsqt study**
