My Time C. Robert Wolfe, 2008-08 My Time Most people live their lives on a day to day basis Our planning calendar is booked for three to seven days in the future We seldom take a step back and look at recent events in perspective This book is intended to provide that perspective look at events that shaped the course of our lives Only in retrospect do we realize the changes that have occurred and influenced events of our lives This process might be compared to watching an Old time silent movie How strangely people dressed and acted in those days We get a sense of values and attitudes of that time Then we see movies made during the 1930 s There is a difference in dress in automobiles in the telephones seen in those movies Customs have changed and attitudes have changed since those early silent movie days This book links day to day living with the evolving events that impact our lives shape attitudes and philosophies as individuals as states and nations It has been said The only thing certain is change

Deep Drive Mike Lowell, Rob Bradford, 2008-05-06 An inspiring national bestselling memoir from a Red Sox hero and MVP of the 2007 World Series In 2007 Red Sox third baseman Mike Lowell triumphed over a lifetime of

adversity when he led the world's most zealously followed baseball team to the promised land their second World Series title in four years But there was much more to the story than what happened that October night From the hardships of his childhood in Puerto Rico to the ups and downs of his baseball career to his battle with testicular cancer this is the story of man who overcame every challenge pitched at him to become one of the best third basemen in baseball and a true role model for millions Lowell's story is told in his own occasionally salty but always sincere voice quite candid The Hartford Courant Mike Lowell is such an honest man a man who plays the game hard and plays the game right the whole time Manny Ramirez Red Sox outfielder **Another Time Another Place** Gerald Chatanow|Bernard D. Schwartz,2000-12-15 The Brownsville East New York neighborhood of the 1930's 40's and 50's is now but an almost faded memory a time warp as it were Today it is a neighborhood that has been eviscerated and exists only as a geographic locale Through the collective memories of the famous and the not so famous Jerry Chatanow and Bernie Schwartz have elicited and chronicled a treasure trove of anecdotes and remembrances that bring back to life a once vibrant and exhilarating neighborhood The authors vividly transport the reader back to a bygone era of street games egg creams mello rolls and knishes patriotism at the home front plush movie palaces the Dodgers the Knicks boxing venues old time radio and the neighborhood settlement houses with its open doors waiting to welcome the teeming masses Anyone from small town or big city who was ever enriched by the nurturing warmth the loyalties and camaraderie of a neighborhood will enjoy this major contribution to the oral history of America This is a story told within the context of this country's transformation from The Great Depression to World War Two to Baby Boomer prosperity The authors were both observers of and participants in what in retrospect proved to be a triumphant generation Well, That's Just Nonsense Carl Hauser,2025-07-25 Even before we retired to the Sacramento Mountains Jo Ann and I had always planned to volunteer in ways to help seniors It started by delivering meals to the homebound Then I was asked to write articles to promote the senior center in the monthly paper I also wanted to do it with humor so much of my work is how I dealt with various events in my life In a series of essays written over twelve years I poked fun at myself my wife Jo Ann a number of the characters we delivered to and our dear friends The stories represent over fifty years of successes and failures The Christian journey is not always easy And my shortcomings are painfully obvious **A Place Called Home** Richard O.
