Reasserting the Disney Brand in the Streaming Era Robert Alan Brookey, Jason Phillips, Timothy Pollard, 2023-04-07
Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how Disney's acquisition of Pixar Marvel Lucasfilm and Fox positioned the company to launch the Disney streaming service the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney's catalog This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies political economy Disney studies media industries and new technology *Battle of the Blood Moons* Diane Shauer, 2014-06-26 We are conditioned to believe what is visible is more important than the invisible we couldn't be more deceived the visible world is less than one percent of our reality In everyday life there are creatures we cannot see demons hiding all around us in an invisible realm Humanity lies at the center of an interdimensional conflict as old as time On one side stand the demons of the great void corrupting harvesting and feeding on human souls Arrayed against the darkness are the illumine races beings of light residing in the eleventh dimension Everyone on earth has a stake in this war Knowingly or not no one stays neutral Humanity's every act shifts the balance in this unending struggle pushing further into the light or pulling back into the darkness In the midst of a messy divorce Deidre Kollister discovers her sacred role in this hidden vicious conflict A sonic warrior of light Deidre is one of twelve souls who agreed on a perilous mission before birth to prevent the upcoming soul harvest a terrible event set to begin with an ancient celestial sign Twelve extraordinary people stand against a legion of interdimensional demons The odds are stacked against Deidre and her new allies If they succeed the world may finally find peace If they fail the ancient war will end with a demonic feeding frenzy and humanity's eternal enslavement **Computerworld**, 1999-07-19 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld's award winning Web site Computerworld.com twice monthly publication focused conference series and custom research form the hub of the world's largest global IT media network **Own The Night** Susan Harris, 2024-04-26 A new vampire series to sink your teeth into from the creator of the best selling Ever Chace Chronicles Detective Sergeant Maximillian Max De Barra has always preferred working the night shift in the homicide unit more at home in the shadows with his own company than saddled with a partner His single minded focus to solve crimes has earned him a reputation so when he is called in to solve a string of

murders whose only link is the stamp of a nightclub downtown Max must use that determination to get passed a veil of secrecy Theodora Caden or Theo to her Scion has managed to stay under the radar of humans for most of her immortal life As the Suzerain it s her responsibility to keep her vampires safe while also making sure that none of her kin do anything stupid that would draw the attention of the humans When human attendees of her club end up dead with vampire bite marks Theo must do everything in her power to stop the lead detective from discovering that monsters really do come out at night
