The Nature of College

James Farrell,2010-10-01

Stately oaks ivy covered walls the opposite sex these are the things that likely come to mind for most Americans when they think about the nature of college But the real nature of college is hidden in plain sight it's flowing out of the keg it's woven into the mascots on our T-shirts Engaging in a deep and richly entertaining study of campus ecology The Nature of College explores one day in the life of the average student questioning what natural is and what common sense is really good for and weighing the collective impacts of the everyday In the end this fascinating highly original book rediscovers and repurposes the great and timeless opportunity presented by college to study the American way of life and to develop a more sustainable better way to live

The Deal

Lisa Briskie,2005-10 Was it a cruel twist of fate or the carefully laid plan of a ruthless businessman Jaclyn Tate a stunning and accomplished commercial real estate broker was haunted by that question when the man with whom she shared an impulsive and passionate affair turned out to be the unethical party who beat her to the closing table on the biggest deal of her illustrious career Steven Cason the charismatic and most desired bachelor in Dallas is the ultimate dealmaker and one of

the most powerful men in town He would allow no one to surpass him at his game especially not on his home turf and on his prized real estate deal The stakes are high the passion intense Two parties Jaclyn and Steven are each willing to do whatever it takes to close the deal How far are they willing to go
