They focus on interaction design for work engagement taking usability of interactive systems to the next level by providing employees pleasurable and meaningful experiences via the tools used at work. The papers are organized under the following topical sub-headings: Trends in human Work Interaction Design; Workplace and Artificial Intelligence; AI for Human Work. The Palgrave Handbook of Breakthrough Technologies in Contemporary Organisations Mahmoud Moussa, Adela McMurray, 2025-03-08 This handbook traverses the broad spectrum of ICT management, engaging readers to consider not only the beneficial transformations triggered by these technologies but also the organisational challenges they present. From the disruption brought about by machine learning to the vast opportunities unleashed by the evolution of big data analytics to the revolution of financial technology FinTech, this handbook offers a thorough and comprehensive journey through the landscape of ICT. The focus is not solely on the breakthrough technologies themselves but the intricate patterns of their evolution, adoption, management and the subsequent ripples they create in the organisational fabric. The handbook challenges current views, provokes new insights and inspires a futuristic view of managing ICT in the ever-evolving business landscape. **ActivityPub** Evan Prodromou, 2024-09-20 ActivityPub is the new standard for connecting social networks together on the social web. This open decentralized social networking protocol defines an API for sharing activities to a social network and a procedure that servers use to distribute those activities to a subscriber's feed. With this book, you'll learn how to assemble ActivityPub-enabled clients for making new kinds of social apps on top of existing networks and build ActivityPub servers that create new human or automated accounts on the social web. With those skills under your belt, you can explore other applications of this publish-subscribe technology: content management systems, internet of things, and enterprise automation. With hands-on examples and in-depth knowledge from Evan Prodromou, one of the authors of the protocol, this is the ActivityPub handbook that every social software hacker needs. Learn what the social web is and what ActivityPub does. Represent social network data in the Activity Streams 2.0 format. Write a simple ActivityPub client and server. Extend ActivityPub's functionality with new types. Find in-depth details about the more obscure ActivityPub data structures. Evan Prodromou is a coauthor of the ActivityPub protocol and the Activity Streams 2.0 data format. **West's California Digest 2d**, 1981 West's Florida Digest 2d, 1984 **Mobile Phone Tips & Tricks** Mobile Phone Tips & Tricks, 2025-06-09 Unlock the full potential of your smartphone with this easy-to-follow guide designed for everyday users.
