Prime Big Deal Days Near Me:

Bigger Deal Anthony Holden,2007-05-08 In the years since Anthony Holden wrote his classic memoir Big Deal the poker world has changed beyond recognition When Holden played in the 1988 World Series of Poker there were 167 starters competing for a prize of 270 000 Since then poker has become the world s largest single competitor sport at the 2006 World Series there were almost 9 000 players and a first prize of 12 million the richest in any sport What happened in the years between Big Deal and Bigger Deal could never have been predicted the Internet and television sparked a worldwide explosion in the popularity of poker one that shows no sign of abating Poker even has a respectable image these days much to the disgust of die hard players Gone are the seedy rooms of the Horseshoe you can t even smoke at the table and you re more likely to find yourself head to head with a film star than an ex con in Las Vegas With the future of online poker now legally endangered in the United States Holden s vision of the poker boom comes at a critical moment in the game s history In Bigger Deal Holden is your guide to the world of the new poker to the players who dominate the modern game and the personalities behind the multibillion dollar business it has become as he tries once again to win the world title After all as Telly Savalas once reminded Holden a million dollars is never irrelevant Not to mention twelve **Maximizing Saving**

Clash Nirmalya Kumar,2024-03-15 Amazon and Walmart with more than half a trillion in revenues annually are the two largest companies in the world They have not only redefined the retail industry Walmart in the 1980s 1990s and Amazon since 2000 but have also been the benchmark for business best practices e g the use of IT supply chain data analytics customer orientation This year it is anticipated that Amazon will dethrone Walmart as the world s largest company a position that Walmart has occupied for more than two decades By examining these two companies and their business models in depth Professor Nirmalya Kumar elucidates on the more general phenomenon of incumbents competing with disruptors e g Volkswagen vs Tesla Marriott vs Airbnb as well as the move to omnichannel retail where physical stores must coexist with online retailers

Destiny by Design Fred H. Small,2010-10 This book *Destiny by Design* begins with the portrait of a world as seen by a curious three year old African American boy This boy was born at a very difficult time in history grew up in a toxic world of challenging variables Yet he clung tenaciously to the belief that life s episodes can be meaningful when clearly interpreted for the inquisitive mind King David wrote I have been young and now am old yet have I not seen the righteous forsaken nor his seed begging bread Psalms 37 25 KJV The author presents living proof that principles practices promises and plans as exercised herein will work miraculously for you as it has for him Your destiny is by design I urge you Cooperate with the designer Contrary to some belief systems no one was predestined to be a failure Success is The progressive realization of personal pre determined worthwhile goals Once a noble goal has been set any progress toward that goal is measurable success Our creator declares I know the thoughts I think toward you saith the Lord thoughts of peace and not evil to give you an expected end Jer 29 11 Before I formed you in the belly I knew you Jer 1 5a But my God shall supply all

your need according to His riches in glory by Christ Jesus Phil 4 19 KJV We are not cosmic errors We are gifted anointed commissioned and Sent to earth to carry out a divine plan Your Destiny is by Design Destiny by Design does clearly illustrate how purpose is found and how plans for our mission and ministry on earth are joyously carried out You can't lose with the stuff God use *Big Summer: the best escape you'll have this year* Jennifer Weiner,2020-05-05 Big Summer is the perfect beach read PopSugar Beautifully written twisty and compelling I raced through it Daily Mail The No 1 New York Times bestselling author returns with an unforgettable novel about friendship set during a disastrous wedding on picturesque Cape Cod Six years after the fight that ended their friendship Daphne Berg is shocked when Drue Cavanaugh walks back into her life looking as lovely and successful as ever with a massive favour to ask Daphne hasn't spoken one word to Drue in all this time she doesn't even hate follow her ex best friend on social media so when Drue asks if she will be her maid of honour at the society wedding of the summer Daphne is rightfully speechless Drue was always the one who had everything except the ability to hold onto friends Meanwhile Daphne's no longer the same self effacing sidekick she was back in high school She's built a life that she loves including a growing career as a plus size Instagram influencer Letting glamorous seductive Drue back into her life is risky but it comes with an invitation to spend a weekend in a waterfront Cape Cod mansion When Drue begs and pleads and dangles the prospect of cute single guys Daphne finds herself powerless as ever to resist her friend's siren song _____ Discover why readers are IN LOVE with Jennifer Weiner Nothing short of brilliant People Friendship weddings and rich people being weird Obviously I am in Literary Hub If you love Jennifer Weiner you'll love this one Kirkus Reviews starred review Big Summer is a big fun summer read Booklist Deliciously entertaining Woman's Own

Founders at Work Jessica Livingston,2008-11-01 Now available in paperback with a new preface and interview with Jessica Livingston about Y Combinator Founders at Work Stories of Startups Early Days is a collection of interviews with founders of famous technology companies about what happened in the very earliest days These people are celebrities now What was it like when they were just a couple friends with an idea Founders like Steve Wozniak Apple Caterina Fake Flickr Mitch Kapor Lotus Max Levchin PayPal and Sabeer Bhatia Hotmail tell you in their own words about their surprising and often very funny discoveries as they learned how to build a company Where did they get the ideas that made them rich How did they convince investors to back them What went wrong and how did they recover Nearly all technical people have thought of one day starting or working for a startup For them this book is the closest you can come to being a fly on the wall at a successful startup to learn how it s done But ultimately these interviews are required reading for anyone who wants to understand business because startups are business reduced to its essence The reason their founders become rich is that startups do what businesses do create value more intensively than almost any other part of the economy How What are the secrets that make successful startups so insanely productive Read this book and let the founders themselves tell you

The French Betrayal of America Kenneth R. Timmerman,2005-03-22 Can we trust France Apparently not After more than 200 years of shared history and interests the U S France marriage looks as if it s ending in an acrimonious divorce Here is the shocking insider account In the wake of French behavior at the United Nations where Foreign Minister Dominique de Villepin systematically undermined the efforts of Secretary of State Colin Powell to convince the Security Council to authorize force against Iraq Americans have at best come to suspect our ally of double

dealing and at worst come to view them as the enemy Almost daily over the past year new stories have emerged of how the government of French President Jacques Chirac has sought to undermine the U S war on terror publicly sniping at America and inciting other countries to do the same What s wrong with France What s behind their recent perfidy According to bestselling author Kenneth R Timmerman the American public doesn t know half the story After they read *The French Betrayal of America* American anger at France will turn to outrage Timmerman who worked as a journalist in France for eighteen years and knows the players on both sides lifts the veil of Jacques Chirac s scandalous love affair with Saddam Hussein beginning in 1975 when he took him on a tour of top secret French nuclear facilities The French attitude toward the dictator which seemed to baffle American politicians was in fact entirely predictable Put bluntly it was all about money oil and guns Chirac needed Saddam s oil and Saddam s money and Saddam needed French weapons and French nuclear technology Despite this the relationship between France and America was not only amicable but at times very mutually beneficial That was until the most recent war on Iraq where France turned the tables engaging in dirty diplomacy and helping to sway other European countries to their side French war coverage was not merely one sided It was viciously inaccurate skewed and openly anti American Timmerman also presents incredible new evidence of France s duplicity including the fact that the French stood to gain 100 billion from secret oil contracts they had concluded with Saddam Hussein *The French Betrayal of America* raises questions of whether the nuclear cooperation agreements still in force with the French today should be canceled in light of France s behavior Our security interests no longer converge and our economic systems increasingly appear to be at loggerheads The war in Iraq harshly exposed French treachery and their desire to do business with the worst of international tyrants putting their economy their international standing and their relationship with a 200 year old friend in severe jeopardy
