If you like quirky characters, fast paced comic capers, witty dialogue and a twist of romance then you'll love these engaging series. If you love southern settings with plenty of sweet tea and eccentric characters, the meet up of these two heroines is epic. Barb Taub, humor writer and author of the Null City series, I love the characters Cherry Tucker and Maizie Albright and this mystery brings the two of them together in the same book. Everything I love about both series is here. If you've read either of the two series I highly recommend this one.

Michelle's Romantic Tangle Laughs and reflections on life and the holidays. Well written. Although pulling the main characters from two series, this is easily read as a stand alone mystery.

Forest and Stream, 1888 **I Will Take You to Broceliande** Elizabeth Muhlhaus, 2019-03-27. It is a mystery story and a detective story about mankind's primordial quest for peace on earth which first requires that we understand how peace gets destroyed. And like the thrillers on TV that reveal clues slowly, you will see a crescendo of mysteries that I knew were clues if I could just figure them out. Those tough experiences were simply what I had to go through to develop the sensitivity to subliminal signals in nature that I never would have been able to pick up if my life had only been happy and easy. Yet the story is peppered with exhilarating moments of transcendence, love and naivete. Wonderful experiences dotted this life like pecans in cinnamon rolls.
