Parliamentary Papers Great Britain. Parliament. House of Commons, 1837 Michigan Compiled Laws Annotated: Sect. 205.1 to 207. End Michigan, 1967 **Learn Sales** Malik Jordan, 2020-03-21 This is a short book that is designed for

people who are complete newbies when it comes to selling in the 21st Century My name is Malik McCotter Jordan I am an American soldier and the author of this book I have been selling products and services since 2012 Over the years I have acquired a massive amount of knowledge about sales and I condensed everything I know about selling into this book I went through trial and error to learn what I know now So when you read this book you will be able to avoid all of the mistakes I have made in the past I am confident that this is a very valuable book about sales because not only does it teach you about

selling but it also teaches you how to not come off as pushy annoying or downright sleazy while you're selling things to people. That is something I know a lot of people would like to learn how to do. I understand that you are a busy person and that due to today's economy and job market no one really has the time nor the attention span to be reading 200 page books about sales. I know that you want to learn this skill without wasting time reading a bunch of information that you really don't need so I decided to take initiative and make this book as short as I could without compromising its value and practicality. I am NOT a sales GURU. Or any type of person that is trying to sell you a dream. I'm just a guy that learned a skill and I want to share what I know about this skill with you. That's all. If you're skeptical then I don't blame you. I would be too. There's a lot of scammers on the internet and they have made it extremely hard for you to trust people online. So with that being said I'm going to make you an offer that will be difficult for you to refuse. If you believe this will add value to yourself and your future then purchase this book today and if you are not satisfied with this book within the first 30 days then you can get a refund no questions asked. There is no risk involved. For less than what you would spend on a cup of coffee from Starbucks you can own this book. Unlike an overpriced cup of coffee from Starbucks this book will teach you the basics of selling. Learning how to sell will give you the ability to buy as many cups of coffee as you want. Start learning the sales techniques that work in the 21st century today. If you want to know how to learn how to sell without being too salesy then this book will help you out with that. **CALL TO ACTION** If this is something you are interested in because you think it will help you out then you should buy *Learn Sales The Beginner's Guide For Selling in the 21st Century* today risk free.
