Antitrust Policy Issues Patrick Moriati,2006 The goal of antitrust advocates is to increase the role of competition assure that competition works in the interests of consumers and challenge abuses of concentrated economic power in the American and world economy Antitrust policies were first enacted during the great robber baron era of American economic history Men such as Rockefeller and Carnegie were forced to split up their companies that monopolised the oil and steel industries of America Ever since that time antitrust policies have worked to avoid similar situations These policies cannot always be effective because of developing circumstances This book presents studies of different antitrust policies and how they adapt to a rapidly changing economic landscape

The Hopefuls Paul V. Allen,2018-10-01 Songwriters performers and producers Erik Appelwick Eric Fawcett John Hermanson and Darren Jackson were important players in an early 2000s musical collective This collective included genres such as folk power pop R B electro funk and indie rock Well known bands Storyhill Spymob Alva Star Kid Dakota Vicious Vicious Tapes n Tapes Olympic Hopefuls and others were part of this movement These four men worked for their rock n roll dreams producing well crafted albums and exciting live performances along the way Their shared biography draws from dozens of new interviews and hundreds of articles to document their intersecting musical journeys from playing air guitar to KISS records to rocking gyms in high school cover bands to touring the world with some of pop music s biggest names Equal parts celebration and cautionary tale this book discusses both the

rewards and difficulties of life as an independent musician

Events Management Debra Wale, Peter Robinson, Geoff Dickson, 2010 The book examines the different aspects of events management It is divided into three parts The first part provides an introductory outline of the historical developments and current state of the industry while also taking into account wider political and cultural issues The second part of the book concentrates on practical operations management including planning project management marketing human resource management health and safety logistics and funding Finally the third part covers critical issues such as impacts sustainability and legacy of events Each chapter contains case studies from around the world and review questions ensuring that the book is a useful learning tool and provides a current and up to date view of the industry in this increasingly popular field of study The publication is designed for students and practitioners in the event sector and has been developed so that readers are able to understand theory and concepts presented through applied examples
