High Velocity: A totally gripping unputdownable action thriller (August High Book Two) Dan Ames, 2024-10-14 A USA TODAY BESTSELLING AUTHOR A fast paced action packed thriller Ames is a sensation MysteryTribune **The Airline Business** Rigas Doganis, 2005-11-16 The airline industry is currently faced with its longest and deepest crisis to date many airlines are losing hundred of millions of US dollars several have collapsed entirely and others have been rescued by their governments This crisis has been precipitated by external shocks such as the attack on the Twin Towers in New York the invasion of Iraq and the SARS epidemic In addition the effect of these events has been exacerbated by dynamic and potentially destabilizing internal developments Comprehensive and thorough this revealing book gives a detailed analysis of the crucial events and key developments which have impacted and will continue to impact on the dynamics of the airline industry Special attention is paid to the key challenges faced by the airlines such as continued liberalization and open skies the impacts of global alliances new low cost and no frills carriers on line selling and distribution privatization the impact of disasters Leading industry authority Rigas Doganis examines the future prospects for the changing airline business and assesses alternative policies which could help the sector adapt to the shifting marketplace Ideal for students researchers and professionals in the fields of economics and business industry and transportation studies this second edition of his definitive book brings the story right up to date With Us and Against Us Stephen Tankel, 2018-05-22 In the wake of the September 11 attacks President George W Bush drew a line in the sand saying Either you are with us or you are with the terrorists Since 9 11 many counterterrorism partners have been both with and against the United States helping it in some areas and hindering it in others This has been especially true in the Middle East Africa and South Asia where the terrorist groups that threaten America are most concentrated Because so many aspects of U S counterterrorism strategy are dependent on international cooperation the United States has little choice but to work with other countries Making the most of these partnerships is fundamental to the success of the War on Terror Yet what the United States can reasonably expect from its counterterrorism partners and how to get more out of them remain too little understood In With Us and Against Us Stephen Tankel analyzes the factors that shape counterterrorism cooperation examining the ways partner nations aid international efforts as well as the ways they encumber and impede effective action He considers the changing nature of counterterrorism exploring how counterterrorism efforts after 9 11 critically differ both from those that existed beforehand and from traditional alliances Focusing on U S partnerships with Algeria Egypt Mali Pakistan Saudi Arabia and Yemen against al Qaeda ISIS and other terrorist organizations Tankel offers nuanced propositions about what the U S can expect from its counterterrorism partners depending on their political and security interests threat perceptions and their relationships with the United States and with the terrorists in question With Us and Against Us offers a theoretically rich and policy relevant toolkit for assessing and improving counterterrorism cooperation devising strategies for mitigating risks and getting the most

out of difficult partnerships April's Ride with Stone Kaci Rose, 2024-04-15 I'm going to make good on my promise to protect my best friend's daughter from everyone except me Stone. My years enforcing the law both within and beyond its limits have left me with scars scars that I wear like armor shielding me from the world I found peace protecting Mustang Mountain a place as rugged and unwelcoming as my own heart Then everything I've known is thrown upside down My best friend has switched sides and I'm left to protect his daughter The one woman who has the potential to destroy the walls around my heart Addy I've spent my life in the shadows of Mustang Mountain the sheriff's daughter hiding in plain sight quietly working towards my dreams But when those shadows turn into danger it's Stone the man whose heart seems as cold as his name who becomes my protector The same man who's always been off limits my father's best friend now holds my safety and my heart in his hands In a town where everyone knows your name and your secrets can a love born from forbidden moments withstand the storm of judgment Welcome to Mustang Mountain where engines roar and loyalty reigns supreme Beneath the shadowy peaks of the mountain the Mustang Mountain Riders defend their ground against a dangerous gang trying to take over their small town Forged in fire and steel these bikers face threats head on riding hard and fighting even harder While they brave countless battles nothing prepares them for love sparked by the curvy women who steal their hearts

Israel and the United States Robert Freedman, 2018-04-19 This unique volume intensively studies the nature and extent of US Israeli relations from 1948 through the Bush and Obama administrations Leading experts in the field including Israeli and North American scholars from a variety of political perspectives contribute original essays on the principal political religious ethnic military economic and juridical connections between the United States and Israel Specific topics covered in this new book include the pro Israel lobby in the United States the US Jewish community and its relations to Israel evangelical Christians and Israel military and economic ties between the United States and Israel the threat of a nuclear Iran for both countries and the impact of American jurisprudence on Israel Section introductions from the editor effectively contextualize the issues and provide students with an in depth understanding of the past present and future of the US Israel relationship Public Procurement Regulation in (a) Crisis? Sue Arrowsmith, Luke RA Butler, Annamaria La

Chimia, Christopher Yukins, 2021-11-04 This timely book provides the first systematic analysis of global public procurement regulation and policy during and beyond the COVID 19 pandemic Through both thematic chapters and national case studies this book explores the adequacy of traditional legal frameworks for emergency procurement examines how governments and international organisations have responded specifically to the pandemic and considers how the experience of the pandemic and the political impetus for reform might be leveraged to improve public procurement more broadly Public procurement has been critical in delivering vital frontline public services both in the health sector and elsewhere with procurement of ventilators protective equipment and new hospitals all hitting the headlines At the same time procurers have faced the challenge of adjusting existing contracts to a new reality where for example some contracted services can no longer operate

Further efficient and effective procurement will be an essential and not a luxury in the economic recovery With case studies on Italy the UK the USA India Singapore Africa Latin America and China the book brings together the world s leading academics and practitioners from across Europe the Americas Asia and Africa to examine these issues providing an essential resource for policy makers legislators international organisations and academics This title is include included in Bloomsbury Professional s Local Government Law online service **The Future of the Music Business** Steve Gordon,2011-08-01

Music Pro Guide Books Using blogs and social networks Developing an online record company Creating an Internet radio station Opening an online music store Raising money for recording projects online Creating a hit song in the Digital Age Taking advantage of wireless technologies and much more This revised third edition is the most up to date and thorough examination of current trends and offers special sections on What to do if someone steals your song Protecting the name of your band or label How to find and get a music lawyer to shop your music How to land a deal with an indie or a major label The video includes a comprehensive lecture How to Succeed in Today s Music Business delivered by the author at the Tisch School of the Arts at NYU *Idaho Panhandle National Forest (N.F.), Packsaddle Timber Sale and Road Construction Project, Bonner County* ,1996 **Build A Platform You Fully Control: Avoid Algorithms, Own Your Customer Base**

Ahmed Musa,2025-05-31 If your business depends on algorithms your income depends on luck This book is a wake up call for creators coaches solopreneurs and digital business owners who ve built their livelihoods on platforms they don t own One tweak to the algorithm one account suspension or one shift in reach and suddenly everything you ve built is at risk But it doesn t have to be that way Build A Platform You Fully Control is about reclaiming your leverage It s about creating an ecosystem where your content your community and your conversions live on platforms you own not rented spaces that can vanish overnight Whether you re building an audience from scratch or migrating from a social heavy model this book gives you the clarity and tools to build something resilient profitable and entirely yours When you control your platform you control your future You own the list You set the rules You create the flow You know who your audience is how to reach them and how to serve them without begging for visibility or battling for reach This book will help you move from platform chasing to platform mastery replacing shallow engagement with real connection and vanity metrics with actual revenue You ll learn how to build a direct line to your customers through email content hubs and digital assets that compound over time You ll learn how to create systems that don t just capture attention but convert it into action on your terms on your turf This isn t just about tech It s about ownership It s about building a digital home instead of constantly chasing digital trends Because the most successful creators aren t louder They re smarter And they re building on ground that can t be taken away **South Africa News Update** ,1993 Consists of reproductions of articles from South African newspapers *Europe in Emerging Asia* Fredrik Erixon,Krishnan Srinivasan,2015-05-20 In light of the Eurozone crisis and the growth of Asian economies have new challenges emerged for the relations between nations in these regions As the Asian consumer class grows and its culture

globalizes what does this mean for the export of Eurocentric values and norms And what does the future hold for the economic political and cultural policies between these two powerful regions This book explores the relationship between European and emerging Asian economies as globalization changes the international economic and political landscape Reflecting on past interactions and possibilities for the future the book brings together Asian and European perspectives from former politicians diplomats and academic experts to examine questions around trade and security rights and climate change identity clashes and the colonial legacy The book is a timely consideration of highly topical questions that will shape international politics in the twenty first century
