Wem kannst du trauen? Rachel Botsman, 2020-01-20 Wem kann man noch trauen Der Regierung Den Wirtschaftsunternehmen Den Medien Das Vertrauen in die Institutionen und ihre Führungskraft ist auf einem historischen Tiefststand Andererseits handeln wir mit digitalen Werkzeugen vertrauen Bots unterhalten uns mit Smart Speakern Die Vertrauensforscherin Rachel Botsman erklärt diesen von innovativen Technologien getriebenen Paradigmenwechsel Sie beschreibt wie sich die Welt in einem Zeitalter des verteilten Vertrauens neu ordnet Worauf es jetzt ankommt Untereinander unseren Mitmenschen Kunden und Firmenpartnern Vertrauensbrücken zu bauen um die entstandenen Vertrauenslücken zu überwinden Botsman erläutert wie es geht Vertrauen Sie ihr *The Dark Social* Toija Cinque, Alexia Maddox, Robert W. Gehl, 2023-11-07 This book explores how people interact online through anonymous communication in encrypted hidden or otherwise obscured online spaces Beyond the Dark Web itself this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life The authors take into account technical moral ethical and pragmatic responses to ourselves and communities seeking to belong in of the dark Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other privacy enhancing technologies to engender resistance acts Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light They are also in tension with popular narratives of the dark recesses of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web The binary of dark versus light is challenged in this book The authors provocation is that practices of dark resistance motility and power are enacted by emerging data cultures This book draws together scholarship activism and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies The Dark Social Online Practices of Resistance Motility and Power will be a key resource for academics researchers and advanced students of media studies cultural studies communication studies research methods and sociology This book was originally published as a special issue of Continuum Journal of Media Cultural Studies *Who Can You Trust?* Rachel Botsman, 2017-10-05 Nominated for the Business Book Awards Embracing Change category If you can't trust those in charge who can you trust From government to business banks to media trust in institutions is at an all time low Widespread corruption elitism and economic disparity have led to a worldwide upsurge of anti establishment movements But this isn't the age of distrust far from it In this revolutionary book world renowned trust expert Rachel Botsman reveals that we are at the tipping point of one of the biggest social transformations in human history A new world order is emerging we have lost faith in brands leaders and systems but millions of people every day rent their home to total strangers on Airbnb exchange cryptocurrency online or get in the car of an unknown Uber driver This is the age of distributed trust a paradigm shift driven by new technologies that are rewriting the rules of an all too human relationship If we are to benefit from this

radical transformation it is vital that we understand the new mechanics of how trust is built managed lost and repaired In Who Can You Trust Botsman provides a detailed map of this uncharted landscape and explores what s next for humanity

Facebook Nation Newton Lee,2022-02-02 This book explores total information awareness empowered by social media At the FBI Citizens Academy in February 2021 I asked the FBI about the January 6 Capitol riot organized on social media that led to the unprecedented ban of a sitting U S President by all major social networks In March 2021 Facebook CEO Mark Zuckerberg Google CEO Sundar Pichai and Twitter CEO Jack Dorsey appeared before Congress to face criticism about their handling of misinformation and online extremism that culminated in the storming of Capitol Hill With more than three billion monthly active users Facebook family of apps is by far the world s largest social network Facebook as a nation is bigger than the top three most populous countries in the world China India and the United States Social media has enabled its users to inform and misinform the public to appease and disrupt Wall Street to mitigate and exacerbate the COVID 19 pandemic and to unite and divide a country Mark Zuckerberg once said We exist at the intersection of technology and social issues He should have heeded his own words In October 2021 former Facebook manager turned whistleblower Frances Haugen testified at the U S Senate that Facebook s products harm children stoke division and weaken our democracy This book offers discourse and practical advice on information and misinformation cybersecurity and privacy issues cryptocurrency and business intelligence social media marketing and caveats e government and e activism as well as the pros and cons of total information awareness including the Edward Snowden leaks Highly recommended T D Richardson Choice Magazine A great book for social media experts Will M AdWeek Parents in particular would be well advised to make this book compulsory reading for their teenage children David B Henderson ACM Computing Reviews **Antisocial** Andrew Marantz,2019-10-08 Trenchant and intelligent The New York Times As seen heard on NPR New Yorker Radio Hour The New York Book Review Podcast PBS Newshour CNBC and more A New York Times Book Review Editors Choice A New York Times Notable Book of 2019 From a rising star at The New Yorker a deeply immersive chronicle of how the optimistic entrepreneurs of Silicon Valley set out to create a free and democratic internet and how the cynical propagandists of the alt right exploited that freedom to propel the extreme into the mainstream For several years Andrew Marantz a New Yorker staff writer has been embedded in two worlds The first is the world of social media entrepreneurs who acting out of na vete and reckless ambition upended all traditional means of receiving and transmitting information The second is the world of the people he calls the gate crashers the conspiracists white supremacists and nihilist trolls who have become experts at using social media to advance their corrosive agenda Antisocial ranges broadly from the first mass printed books to the trending hashtags of the present from secret gatherings of neo Fascists to the White House press briefing room and traces how the unthinkable becomes thinkable and then how it becomes reality Combining the keen narrative detail of Bill Buford s Among the Thugs and the sweep of George Packer s The Unwinding Antisocial reveals how the boundaries between technology media and

politics have been erased resulting in a deeply broken informational landscape the landscape in which we all now live Marantz shows how alienated young people are led down the rabbit hole of online radicalization and how fringe ideas spread from anonymous corners of social media to cable TV to the President s Twitter feed Marantz also sits with the creators of social media as they start to reckon with the forces they ve unleashed Will they be able to solve the communication crisis they helped bring about or are their interventions too little too late Million Dollar Weekend Noah Kagan,2024-01-30 AN INSTANT NEW YORK TIMES BESTSELLER A lively read that provides a practical step by step guide to founding a business The Financial Times It s time to leapfrog the only hurdle between you and a million dollar company More people than ever want to be their own boss but venturing forward with your own business can be hugely intimidating Are you investing effort in ideas that have no basis in customer demand Are you shying away from even considering starting your own business Noah Kagan knew this feeling all too well but has since discovered how to banish the one simple thing holding aspiring entrepreneurs back to become a 7 figure founder MILLION DOLLAR WEEKEND offers an into the deep end process for overcoming fear and perfectionism and making the business of your dreams a reality Step by step Noah shows what it takes to oust fear and build the ask muscle and shares practical advice that every entrepreneur needs to master By demystifying what it takes to start a business turning risk into realistic action and fear into fun this is the beginning of your journey to successful entrepreneurship And the best part You can kickstart this process in a weekend **The Great Acceleration** Robert Colvile,2016-04-07 Flash crashes Speed dating Instant messaging From the devices we carry to the lives we lead everything is getting faster faster But where did this great acceleration come from And where will it lead In this vitally important new book Robert Colvile explains how the cult of disruption in Silicon Valley the ceaseless advance of technology and our own fundamental appetite for novelty and convenience have combined to speed up every aspect of daily life Drawing on the latest research this book traces the path of this acceleration through our working and social lives the food we buy and the music to which we listen It explains how it s transforming the media politics and the financial markets and asks whether our bodies and the natural environment can cope As we race towards the future into a world packed with new technologies new ideas and new discoveries this scintillating and engrossing book is an invaluable must read guide to the wonders and dangers that await us The Perilous Public Square David E. Pozen,2020-06-16 Americans of all political persuasions fear that free speech is under attack This may seem strange at a time when legal protections for free expression remain strong and overt government censorship minimal Yet a range of political economic social and technological developments have raised profound challenges for how we manage speech New threats to political discourse are mounting from the rise of authoritarian populism and national security secrecy to the decline of print journalism and public trust in experts to the fake news trolling and increasingly subtle modes of surveillance made possible by digital technologies The Perilous Public Square brings together leading thinkers to identify and investigate today s multifaceted threats to free expression They go beyond
