What robot vacuums will go on sale for Black Friday?

ChatGPT

I'm sorry, but I don't have real-time information, including details on specific Black Friday deals or sales for robot vacuums in 2023. Product availability, discounts, and promotions can vary, and new models may have been released since my last update in January 2022.

To find the most up-to-date information on Black Friday deals for robot vacuums, I recommend checking online retailers, department stores, and the official websites of robot vacuum manufacturers. Many retailers release their Black Friday ads in advance, allowing you to plan and compare prices before making a purchase.

Popular brands for robot vacuums include iRobot (Roomba), Shark, Eufy, Ecovacs, and Neato, among others. Keep an eye on major retailers like Amazon, Best Buy, Walmart, and Target, as they often have significant discounts during Black Friday and Cyber Monday events.

Remember to compare features, reviews, and prices to find the best deal on a robot vacuum that meets your specific needs and preferences.
