Life Unscripted: What You Should Have Learned in High School David Webb, 2025-04-09 Life doesn't come with a manual. Many of us leave high school feeling unprepared for the realities of adulthood. Whether it's managing finances, nurturing relationships, or taking care of our mental and physical well-being, the transition into adulthood can be overwhelming. *Life Unscripted: What You Should Have Learned in High School* is designed to fill in those gaps, offering practical advice and real-world strategies to help you thrive. This book isn't just about memorizing facts; it's about developing skills and habits that will empower you to handle life's challenges with confidence. Each chapter dives into an essential aspect of adulthood, from managing money to building strong relationships, maintaining mental health, and making informed decisions. While each topic is unique, several key themes will appear consistently throughout the book. These core principles are the foundation of personal growth, responsibility, and success.

20 Seasons: Broadway Musicals of the 21st Century Amy S. Osatinski, 2023-08-03 *20 Seasons: Broadway Musicals of the 21st Century* catalogues, categorizes, and analyzes the 269 musicals that opened on Broadway from the 2000-2001 season through the 2019-2020 season. This book is the first to comprehensively examine the musicals that premiered on Broadway during this important historical period, which was bookended by the 9/11 terrorist attacks on one end and the Coronavirus pandemic on the other. It begins by exploring the historical context for the first 20 years of the 21st century and how this impacted American culture and theatre. Rather than chronologically, the musicals are then organized into categories based on their source material and whether they were original musicals or revivals, painting a detailed picture of the Broadway musical in the first 20 years of the 21st century. Jukebox musicals, screen-to-stage musicals, revivals, and other original musicals are all covered, and each chapter ends with reading guides and discussion prompts. The book not only discusses what was produced but by whom, uncovering the stark lack of representation for women and artists of color on Broadway, musical creative and design teams. Additionally, the last chapter discusses the COVID-19 pandemic, the Broadway shutdown, and what happened to the Broadway musical during the shutdown, including the response to the Black Lives Matter movement in the summer of 2020. *20 Seasons: Broadway Musicals of the 21st Century* will appeal to fans and scholars of musical theatre, as well as students of Musical Theatre, Musical Theatre History, American Studies, and Pop Culture Studies.
