Check & Mate Ali Hazelwood, 2023-11-07 In this clever and swoonworthy new novel from the New York Times and Sunday Times bestselling author of *The Love Hypothesis* life's moving pieces bring rival chess players together in a match for the heart Mallory Greenleaf is done with chess Every move counts nowadays after the sport led to the destruction of her family four years earlier Mallory's focus is on her mom her sisters and the dead end job that keeps the lights on That is until she begrudgingly agrees to play in one last charity tournament and inadvertently wipes the board with notorious Kingkiller Nolan Sawyer current world champion and reigning Bad Boy of chess Nolan's loss to an unknown rookie shocks everyone What's even more confusing His desire to cross pawns again What kind of gambit is Nolan playing The smart move would be to walk away Resign Game over But Mallory's victory opens the door to sorely needed cash prizes and despite everything she can't help feeling drawn to the enigmatic strategist As she rockets up the ranks Mallory struggles to keep her family safely separated from the game that wrecked it in the first place And as her love for the sport she so desperately wanted to hate begins to rekindle Mallory quickly realizes that the games aren't only on the board the spotlight is brighter than she imagined and the competition can be fiercely attractive And intelligent and infuriating This novel is suitable for both young adult and adult audiences

Secrets to Becoming a Successful Author Boxset Maggie McVay Lynch, 2018-11-27 Frustrated with the plethora of conflicting information on how to self publish Wouldn't it be wonderful to sit down with someone who has already made the mistakes done the analysis and will provide you the short cuts the secrets about the things that work Now you have that chance with the Career Author Secrets series Indie Publishing Self Publishing has changed dramatically in the past five years There are now new easier tools to use for every part of the process editing formatting distribution sales and analysis This boxset contains three books *Secrets Every Author Should Know* *Publishing Basics* It contains everything a DIY author needs to get her book from manuscript to professional publication in both ebook and print including Why books don't sell Options for DIY or contracting professionals The truth about ISBNs 2 Use Social Media and Email lists to Engage with Your Readers and 3 Plan for Effective Campaigns for both Book Launches and Backlist Rejuvenation throughout the year In addition this book provides techniques to Distinguish specific groups of readers most likely to buy your novel or nonfiction book Understand your competition and the advantages that your book offers Clarify hooks that capture attention of the media reviewers and readers Identify where and how to reach readers reviewers and media Create and implement a consistent brand throughout all marketing efforts Effectively select from 100 options the appropriate marketing tactics and timing that matches your book intentions and values Maximize organic reach and stay to a budget of less than 100 per book campaign Develop a long term online marketing plan

Self-Publishing Checklist April D Brown, 2019-06-30 Self publishing feels overwhelming So many places to start Multiple options to upload various file types They don't all match Several distributors and combinations of distributors and social media blast options It's difficult to know where to begin Each

section of this workbook goes into detail about everything you need before you reach the destination's internet page. Step one covers an in-depth look at nine distributors. The cover page for each highlights the major points later broken into individual worksheets. Step two goes into more detail about the pre-launch and post-publishing marketing aspects among several platforms. The Book Listing Newsletter sites picks a few sites to cover. More come and go every day. It gives a general idea of what you need prepared to use them. The last major section covers information about direct sales. This is something some authors look forward to and others dread. It'll give you a list of points to remember for each one. This group of checklists aims to help you organize your plan. Of course it can't cover every option out there. They are constantly changing. Use these lists as a guide on your publishing and marketing journey. Worksheets can be printed and updated for each project or kept in a binder to refer to on all stages of the process before, during, and after publication.

Poor Choices: Low Tide Anastacia Lucretia, Finding the right Domme is a difficult thing for any submissive man to do but striking the right balance in the relationship can be even harder. When her fetishes match yours every encounter feels like a dream come true but what happens when those fantasies leave the bedroom. For this sub the roller coaster of domination and satisfaction came to a stop when his beautiful Domme abused him while they were out on a date. But what's this lonely sub to do when the big bad Domme comes calling. Does he let her back into his life even if she's pushing him way beyond his comfort zone. Does he have the willpower to turn her down or will he submit to her again. Poor Choices Low Tide is a 6,300 word short story.

Before the Launch David Wogahn, Manon Wogahn, 2025-04-25 Prepare for the self-publishing process so your book stays relevant and marketable for longer. Before the Launch isn't a book. It's a manual. If you are looking for a book to curl up with, be entertained by, and read cover to cover in a couple of sittings. Before the Launch isn't for you. This manual has been compiled over the course of 14 years during which we've managed the publication of more than 400 books for our self-publishing clients. It contains detailed advice based on our experience in using KDP, IngramSpark, Bowker, and numerous other self-publishing tools and services, and now we're sharing it with you. Before the Launch is your guide to understanding the important decisions you need to make and things you need to do during the book preparation process that have an impact on marketing success once your book is released. These decisions and steps are rarely considered book marketing yet marketing can and does suffer if these tasks are not done correctly or not done at all. Why do we call Before the Launch a manual? Self-publishing is a multi-step process executed over the course of weeks and months. Before the Launch is designed for just-in-time learning. Publishing a book is a multidisciplinary project requiring business, legal, marketing, and research know-how. Each of the 58 topics has color-coded cross-references to related topics. The publishing tasks that lead up to the release of a book overlap with each other. Before the Launch includes our trademarked 14-track Countdown to Book Launch timeline that illustrates these overlaps so you can stay on track during the lead up to your book's release. Like any good manual, our guidance is findable when you need it, and we've built in learning extensions. We've put as much care and thought into how

the manual is organized as we have put into writing it Our goal is to teach you what you need to know when you need to know it The manual is organized into 5 sections PREPARE REGISTER AMAZON REVIEW and RELEASE We ve included 140 links to additional authoritative information for deeper learning or additional resources Your purchase includes access to 3 orientation videos a tour of KDP a tour of IngramSpark and how to view an Amazon book product detail page like a publisher Because publishing timelines overlap the 58 topics contain 283 color coded cross references to help you quickly locate related topics We ve even included downloadable Word Excel and PDF files to make it easier to perform the exercises recommended in the topics comp research metadata collection running a price drop sale and coordinating ARC printing with POD distribution via KDP and IngramSpark Before the Launch is your self publishing manual for the best launch possible Comprehensive accessible and based on real world experience Before the Launch is a manual for self publishers of fiction and nonfiction alike It s so handy you ll want the eBook as well as the original 204 page spiral print edition Get your copies today

Recharge Your Library Programs with Pop Culture and Technology: Linda D. Behen, 2013-06-17 Learn how to integrate pop culture and technology into school library programs and classrooms and make today's digital content mobile devices and students' changing interests work to the educator's advantage Today's school libraries need to evolve and meet the needs of 21st-century students the instruction programming and library services must be relevant to today's learners Additionally the interactions between educators and the students are what make the critical difference in the students' learning and turn the library and classroom into places where they will find, assimilate, experience and understand information This book provides practical strategies for using pop culture and technology trends to connect with easily

distracted middle and high school students and hold their attention Author Linda D Behen addresses why school libraries are in transition and why there is a need for dramatic change She discusses the evolution of all libraries in response to digital content ubiquitous mobile devices such as smart phones iPads and other tablet computers patrons changing interests and the ways in which schools and school libraries have found to effectively adapt to technology changes and student needs This book is essential for middle and high school librarians and educators library school students and instructors and young adult public librarians The Readers' Advisory Guide to Horror Becky Siegel Spratford,2021-09-30 Like the zombies ghouls and

vampires which inhabit many of its books the popularity of horror fiction is unstoppable Even if you don't happen to be a fan yourself you won't be scared to advise readers on finding their next great fright thanks to the astute guidance provided by horror expert Spratford in her updated guide This definitive resource for library workers at any level of experience or familiarity with horror fiction details the state of the genre right now including its appeal factors and key authors assisting readers in getting up to speed quickly presents ten annotated lists of suggested titles all published since 2000 each with a short introduction providing historical context delves into horror movies TV shows podcasts and other formats and offers abundant marketing advice programming options and pointers on additional resources **Book Wars** John B.

Thompson,2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time From the surge of ebooks to the self publishing explosion and the growing popularity of audiobooks Book Wars provides a comprehensive and fine grained account of technological disruption in one of our most important and successful creative industries Like other sectors publishing has been thrown into disarray by the digital revolution The foundation on which this industry had been based for 500 years the packaging and sale of words and images in the form of printed books was called into question by a technological revolution that enabled symbolic content to be stored manipulated and transmitted quickly and cheaply Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw the world in very different ways The book wars had begun While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences lie elsewhere The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms Most important of all it has transformed the broader information and communication environment creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future *The Sciences of the Democracies* Jean-Paul Gagnon,Benjamin Abrams,2025-08-07

The field of democracy studies is more constricted than it needs to be as researchers for all their insights continue to study only fragments of democracy in isolation from each other Seeking change The Sciences of the Democracies proposes a groundbreaking means for holistic study drawing on five sources of knowledge that will provide better understanding of democracy or rather of the democracies These are individual people groups of people non textual media texts and non humans This book details how the inclusion of these five sources across temporal spatial cultural linguistic and species contexts leads to the discovery of democratic practices and institutions hitherto unknown or unfamiliar to the conventional Western perception It promises to generate a new class of democratic theorist the Fourth Theorist who theorizes from thousands of multimedial democracy concepts and it has the potential for generating better founded less arbitrary more inclusive democratic theories In doing so the book considers the philosophical institutional educational and methodological difficulties of the scientific understandings and undertakings it proposes The book is a choral work of many collaborating authors Their ambition is to offer a touchstone text for government and public officials citizens residents and visitors researchers practitioners and philanthropists big and small participating in what is a vibrant global discussion on how to study and practice democracy equitably *The Routledge Companion to Transnational Web Archive Studies* Susan Aasman, Anat Ben-David, Niels Brügger, 2024-12-30 The Routledge Companion to Transnational Web Archive Studies explores the untapped potential of web archives for researching transnational digital history and communication It covers cross border cross collection and cross institutional examination of web archives on a global scale This comprehensive collaborative work emerging from the WARCnet research network presents an exploration of the ways web archive research can transcend technological and legal challenges to allow for new comparative transnational studies of the web s pasts and of global events By combining interdisciplinary work and fostering collaboration between web archivists and researchers the book provides readers with cutting edge approaches to analyzing digital cultural heritage across countries The book contains concrete examples on how to research national web domains through a transnational perspective provides case studies with grounded explorations of the COVID 19 crisis as a distinctly transnational event captured by web archives offers methodological considerations while unpacking techniques and skill sets for conducting transnational web archive research and critically engages the politics and power dynamics inherent to web archives as institutionalised collections The Routledge Companion to Transnational Web Archive Studies is an essential read for graduate students and scholars from internet and media studies cultural studies history and digital humanities It will also appeal to web archiving practitioners including librarians web curators and IT developers **Exploring Jesus in the Bible** Rev. Dr. Adenike Yesufu, 2019-11-12 This is a Book of Reflections a Collection of Spirit Inspired Reflections for our Inspirational and Reading pleasure Right thoughts and Right knowledge of Jesus is at the root of our Christian Religion This All About Jesus book will contribute to the deepening of our relationship with Jesus It is a book with quantum copious and lavish Scriptural references which we can

read and reread throughout the year This is to help us attain a higher knowledge and a deeper understanding of Jesus with the hope that we will all be moved to a renewed love for Him and a closer union with Him The Book is divided into Four Sections Section One contains Jesus Names Forty days Lenten and the Passion Holy Week Reflections Section Two contains Reflections with fresh perspectives on some Jesus centered Jesus focused Stories in the Bible Section Three contains Religious Perspectives on Some Miscellaneous Social Issues Some are Conceptual some are Personal many are Interesting Section Four contains Women related Women centered Women focused Reflections
