Narrative and Freedom Gary Saul Morson, 1994-01-01 In this important and controversial book one of our leading literary theorists presents a major philosophical statement about the meaning of literature and the shape of literary texts Drawing on works by the Russian writers Dostoevsky Tolstoy and Chekhov by other writers as diverse as Sophocles Cervantes and George Eliot by thinkers as varied as William James Mikhail Bakhtin and Stephen Jay Gould and from philosophy the Bible television and much more Gary Saul Morson examines the relation of time to narrative form and to an ethical dimension of the literary experience Morson asserts that the way we think about the world and narrate events is often in contradiction to the truly eventful and open nature of daily life Literature history and the sciences frequently present experience as if contingency chance and the possibility of diverse futures were all illusory As a result people draw conclusions or accept ideologies without sufficiently examining their consequences or alternatives However says Morson there is another way to read and construct texts He explains that most narratives are developed through foreshadowing and backshadowing foreshadowing ascribed after the fact which tend to reduce the multiplicity of possibilities in each moment But other literary works try to convey temporal openness through a device he calls sideshadowing Sideshadowing suggests that to understand an event is to grasp what else might have happened Time is not a line but a shifting set of fields of possibility Morson argues that this view of time and narrative encourages intellectual pluralism helps to liberate us from the false certainties of dogmatism creates a healthy skepticism of present orthodoxies and makes us aware that there are moral choices available to us

Gaylord Clark, Timothy Flint, Kinahan Cornwallis, John Holmes Agnew, 1841 **Come Out of the Kitchen! A Romance** Alice Duer Miller, 2021-04-25 In *Come Out of the Kitchen A Romance* Alice Duer Miller deftly explores the tension between domesticity and individuality in the early 20th century. The novel's engaging narrative intricately weaves romance with sharp social commentary embodying the struggles faced by women during a time of societal transformation. Through witty dialogue and vibrant characterizations Miller critiques conventional gender roles urging her protagonists and by extension her readers to pursue personal fulfillment beyond the confines of marriage and home life. This novel reflects the zeitgeist of the 1920s a period ripe with changing norms surrounding women's autonomy and agency. Alice Duer Miller an accomplished poet and suffragist utilized her literary prowess to address the pressing issues of her time. Her experiences and advocacy for women's rights are woven throughout her work fostering a nuanced portrayal of female characters caught in the web of societal expectations. Miller's own navigation of a male dominated literary world fueled her desire to highlight women's voices making her narratives not only entertaining but deeply resonant. This novel is a compelling read for anyone interested in feminist literature and the evolution of the romance genre. Readers will find themselves captivated by Miller's wit and insights making *Come Out of the Kitchen A Romance* an essential addition to both literary and historical studies.
