Gets What—and Why Alvin E. Roth, 2024-04-16 From the winner of the Nobel Prize in Economics a fluent and accessible guide to understanding matching markets Economist.com An exciting practical approach to economics that enables both individuals and institutions to achieve their goals without running afoul of the profit motive Kirkus Reviews starred review Most of the study of economics deals with commodity markets where the price of a good connects sellers and buyers But what about other kinds of goods like a spot in the Yale freshman class or a position at Google If you've ever sought a job or hired someone applied to college or guided your child into a good kindergarten asked someone out on a date or been asked out you've participated in a kind of market This is the territory of matching markets where sellers and buyers must choose each other and price isn't the only factor determining who gets what In *Who Gets What and Why* Nobel laureate Alvin E. Roth reveals the matching markets hidden around us and shows us how to recognize a good match and make smarter more confident decisions In this fascinating often surprising book Alvin Roth guides us through the jungles of modern life pointing to the many markets that are hidden in plain view all around us Dan Ariely author of *Predictably Irrational* and *The Honest Truth About Dishonesty* Mr Roth's work has been to discover the most efficient and equitable methods of matching and implement them in the world He writes with verve and style *Who Gets What and Why* is a pleasure to read Wall Street Journal A book filled with wit charm common sense and uncommon wisdom Paul Milgrom professor of economics Stanford University and Stanford Business School *Personalization and Digital Social Markets* Tahir M. Nisar, 2025-01-09 Tahir Nisar presents a cogent compelling account of recent developments and disruptions within the digital economy and particularly within the industrial and service sectors Through an original overarching framework rooted in the concept of personalization and its antecedents Nisar identifies radically new forms of relationships both economic and social among firms and customers These new relationships are driving major changes in commercial and industrial firms policies and practices and in turn in the entire market economy E-commerce trading user-generated content virtual communities co-creation influencer movements FinTech and sharing economies have strengthened the hands of consumers and have encouraged developments in cognitive technologies such as AI automation which in turn create new ways of working and disruptions to traditional capital labour relations Ultimately what emerges from this study is a picture of how digital

technologies unleash forces of change that are creating new forms of social and economic sharing arrangements and new forms of social organization For its empirical depth and and theoretical rigor this book is essential reading for researchers and students interested in emerging alternative forms of economics business and management and particularly those interested in the digital economy and the state and future of capitalist markets Newsweek ,2008 Stop Making Others Rich: How Authors Can Make Bank By Selling Direct Morgana Best,2022-07-31 Do you want to have an author store and don t know where to start Or have one and don t know how to make the most of it Take back your power and control your author finances with an author store Your store is not just another retailer with the right store you can upsell retarget customers bundle products such as an ebook and a print book or whatever you like No more rules No more nastygrams No more spending most of your ad budget to subsidise retailers sending your readers to a page with other authors books on it With a store you can get paid now That s right now and not in 60 days And no more retailer cuts Ever wondered who buys your books Not any more Now you have data and depending on your storefront analytics This book answers questions such as What should you do when starting out Which storefront would suit Shopify Payhip WooCommerce PayPal button or one of the others What do you need to start a store and if you have a store how do you optimize it Do you really need to train people to buy from your store What about international sales tax It depends on buyer location not just yours Want to sell print but don t want to pay for print upfront handle stock or go to the Post Office And much more Such as Time to think differently about advertising And How to manage change in the industry Plus other insider tips USA Today Bestselling author Morgana Best started selling print direct in 1993 and ebooks as well as print direct from her websites in 2003 She wasn t alone In 2007 indie authors turned to the retailers but now the tide is turning back to selling direct Learn from an actual fiction author who has been selling direct for decades Stop Making Others Rich How Authors Can Make Bank By Selling Direct is the definitive book on authors selling direct **BNA's Banking Report** ,2004 American Banker ,2006 **E-commerce** Kenneth C.
