Business Models Peter Lindgren, 2022-09-01 The New Global Business model NEWGIBM book describes the background theory references case studies results and learning imparted by the NEWGIBM project which is supported by ICT to a research group during the period from 2005 to 2011. The book is a result of the efforts and the collaborative work between SMEs, consultancies and researchers across various lines of business competences and research domains. The book commences with a theoretical discussion of the business model and its innovation literature and explains how this was a collaborative study by researchers from three Danish Universities. The book continues by describing, analyzing and showing how NEWGIBM was implemented in SMEs in different industrial companies networks. Based on this effort, the researchers try to describe and analyze the current context, experience of NEWGIBM and finally the emerging scenarios of NEWGIBM. The NEWGIBM book serves as a part of the final evaluation and documentation of the NEWGIBM project and is supported by results from the following projects: M-commerce, Global Innovation, Global E-business, M-commerce, The Blue Ocean project, International Center for Innovation and Women in Business, NEFFICS which provided information about the innovating business models funded by Ministry of Science and Innovation, Denmark, Ministry of Economics, Denmark, EU Social Fund, EU KASK program and EU 7 Framework program, Internet of Things. This book adds new knowledge to the global business models based on ICT. *The Sweaty Startup Guide to Starting Your Own House Renovation Business* Barrett
