You can't put a filter on reality. Bree Bozeman isn't exactly pursuing the life of her dreams. Then again, she isn't too sure what those dreams are. After dropping out of college, she's living a pretty chill life in the surf community of Pacific Beach, San Diego. If chill means delivering food as a GrubGetter and if it means uneventful. But when Bree starts a new Instagram account, breebythesea, one of her posts gets a signal boost from none other than wildly popular self-help guru Demi DiPalma, owner of a lifestyle brand empire. Suddenly Bree just might be a rising star in the world of Instagram influencing. Is this the direction her life has been lacking? It's not a career choice she'd ever seriously considered, but maybe it's a sign from the universe. After all, Demi's the real deal, right?

Everything is lining up for Bree life goals career and even a blossoming romance with the chiseled guy next door surf star Trey Cantu But things are about to go sideways fast and even the perfect filter s not gonna fix it Instagram might be free but when your life looks flawless on camera what s the cost

Collaborative #sunrise Mui Ling Lam, 2015 Collaborative Sunrise is a computational art installation that draws on themes of nature color time and social connectedness using Instagram photos from around the world to create an eternal sunrise Collaborative Sunrise consists of two components a synthesized digital animation of an Eternal Sunrise and the Collaborative Sunrise Map The first component downloads Instagram photos with the hashtag sunrise in real time and uses a machine learning algorithm to filter out advertisements and other unrelated content Another computer algorithm

extracts colors from the photos and channels them into a synthetic animation of what the current sunrise looks like The second component uses a mechanism that pins the Instagram photos used to create the synthetic sunrise onto a world map based on associated geo location information The installation itself consists of two 5 by 14 foot images of both the map and artificial sunrise projected onto the sides of the PlayCube Using the abundance and instantaneity of these pictures made possible by technology and the cultural infrastructure of social media I aim to translate this precious real life moment into a experience of perpetual digital content
