TikTok as Entertainment or Misleading App? John Maish, 2023-09-20 Essay from the year 2021 in the subject Communications Mass Media grade 3.0 University of California San Diego course Media Studies language English abstract This essay critically analyzes the popular video sharing app TikTok and questions whether it should be perceived primarily as an entertainment platform or as a source of misleading content The author reflects on how TikTok's algorithmically customized feed and divination videos promoted addictive viewing habits and dubious life advice in a friend However the app also spreads joy through funny videos The essay concludes that while TikTok has merit as an entertainment app users should be cautious of videos that try to deceptively influence major life decisions Overall the essay urges readers to approach TikTok with nuance enjoying its amusing content while maintaining skepticism about guidance from its most exploitative corners

The Death of Truth Steven Brill, 2024-06-04 How did we become a world where facts shared truths have lost their power to hold us together as a community as a country globally How have we allowed the proliferation of alternative facts hoaxes even conspiracy theories to destroy our trust in institutions leaders and legitimate experts Best selling journalist Steven Brill documents the forces and people from Silicon Valley to Madison Avenue to Moscow to Washington that have created and exploited this world of chaos and division and offers practical solutions for what we can do about it A precise description of the punishment cell we have built around our minds and the first few steps back towards light and air Timothy Snyder Author of On Tyranny and Professor of History Yale University A seminal ground breaking documented and honest examination of two of the central dilemmas of our time what is truth and where to find it Bob Woodward associate editor at The Washington Post As the cofounder of NewsGuard a company that tracks online misinformation Steven Brill has observed the rise of fake news from a front row seat In The Death of Truth with startling often terrifying clarity he explains how we got here and how we can get back to a world where truth matters None of this conspiracy theories embraced expertise ridiculed empirical evidence ignored has happened by accident Brill takes us inside the decisions made by executives in Silicon Valley to code the algorithms embedded in their social media platforms to maximize profits by pushing divisive content He unravels the ingenious creation of automated advertising buying systems that reward that click baiting content and penalize reliable news publishers and describes how the use of these ad financed misinformation platforms by politicians hucksters and conspiracy theorists deceives ordinary citizens He documents how the most powerful adversaries of America have used American made social

media and advertising tools against us with massive disinformation campaigns and how with the development of generative artificial intelligence everything could get exponentially worse unless we act The stakes are high for all of us including Brill himself whose company's role in exposing Russian disinformation operations resulted in a Russian agent targeting him and his family Crucially Brill lays out a series of provocative but realistic prescriptions for what we can do now to reverse course proposals certain to stir debate and even action that could curb the power of big tech to profit from division and chaos tamp down polarization and restore the trust necessary to bring us together *No Hard Feelings* Genevieve Novak, 2022-04-01

Day Trading Attention Gary Vaynerchuk, 2024-05-21 New York Times and USA Today Bestseller One thing I've learned being around Gary for the last decade is that when he sees new consumer trends or new best practices in marketing people should listen and act on them Michael Rubin CEO of Fanatics In his seventh business book bestselling author entrepreneur and investor Gary Vaynerchuk offers fresh in depth advice to enhance brand development grow sales and beat the competition using modern advertising strategies grounded in social media In his 2013 bestseller *Jab Jab Jab Right Hook* Gary Vaynerchuk showed the world how to create winning content for underpriced attention channels But since then new platforms have emerged others have become less relevant and algorithms are incentivizing new styles of content New skills are necessary to create advertising that builds brand and sales In his latest book Vaynerchuk argues that today's fast growing businesses brands content creators and influencers have one thing in common They mastered storytelling in areas of underpriced attention which predominantly exists across a handful of social media platforms Informed by 20 years of business and marketing success he contends that the biggest transformation and opportunity is the TikTokification of Social Media Increasingly platforms are distributing content based on what users are interested in rather than who they follow In *Day Trading Attention* Gary offers detailed advice on how small businesses large corporations and creators can Understand attention what it is where it is where it's underpriced and how to leverage it Produce relevant strategic content Use modern advertising

platforms to build brand and grow sales in today's rapidly changing environment *This is the F#\$%ing News* Patrick Gower, 2024-09-24 Paddy Gower has spent decades telling our stories. Now he's telling his. Paddy Gower has never been afraid to stand up for what he believes in. From his teenage and university years where he learnt to defend himself from cruel bullying about his looks to the pressure cooker years he spent in the Press Gallery holding politicians to account to advocating for the families of the Christchurch terrorist attacks and for sufferers of cystic fibrosis he has scrapped and fought for the truth and justice for others. This unrelenting drive has come at a cost: a serious alcohol addiction, anger issues at times, and bouts of anxiety and depression. Ironically, it was through his own work, a documentary about the outsized role that alcohol plays in many Kiwis' lives, that Paddy's wake-up moment came. It led him to quit the booze for good, a decision he has never regretted despite the knockbacks that kept coming, including the shock of the decision to close down the entire Newshub operation. Funny, brutally honest, and packed with incredible yarns from a huge and varied career, this is Paddy Gower unleashed.
