Tough, 2021-03-04 Indelible and extraordinary a powerful reckoning with just how far we've allowed reality to drift from our ideals Tara Westover New York Times Book Review We're told that universities are our greatest driver of social mobility But it's a lie The Inequality Machine is a damning exposé of how the university system ingrains injustice at every level of American society Paul Tough bestselling author of *How Children Succeed* exposes a world where small town colleges go bust while the

most prestigious raise billions every year where overstretched admissions officers are forced to pick rich candidates over smart ones where black and working class students are left to sink or swim on uncaring campuses Along the way he uncovers cutting edge research from the academics leading the way to a new kind of university one where students succeed not because of their background but because of the quality of their minds The result is a call to arms for universities that work for everyone and a manual for how we can make it happen Humanizes the process of higher education Fascinating stories about efforts to remediate class disparities in higher education New Yorker

How to Raise an Adult Julie Lythcott-Haims, 2015-06-09 New York Times Bestseller A provocative manifesto that exposes the harms of helicopter parenting and sets forth an alternate philosophy for raising preteens and teens to self sufficient young adulthood Julie Lythcott Haims is a national treasure A must read for every parent who senses that there is a healthier and saner way to raise our children Madeline Levine author of the New York Times bestsellers The Price of Privilege and Teach Your Children Well In How to Raise an Adult Julie Lythcott Haims draws on research on conversations with admissions officers educators and employers and on her own insights as a mother and as a student dean to highlight the ways in which overparenting harms children their stressed out parents and society at large While empathizing with the parental hopes and especially fears that lead to overhelping Lythcott Haims offers practical alternative strategies that underline the importance of allowing children to make their own mistakes and develop the resilience resourcefulness and inner determination necessary for success Relevant to parents of toddlers as well as of twentysomethings and of special value to parents of teens this book is a rallying cry for those who wish to ensure that the next generation can take charge of their own lives with competence and confidence For parents who want to foster hearty self reliance instead of hollow self esteem How to Raise an Adult is the right book at the right time Daniel H Pink author of the New York Times bestsellers Drive and A Whole New Mind

The Years That Matter Most Paul Tough, 2019-09-12 What has gone wrong in our universities And how do we make it right When Amy applied to university she thought she d be judged purely on her merits But she never thought that her family background would have as much impact on her future as her grades When KiKi arrived at university she knew she could be the only black woman in her class But she didn t know how out of place she would feel nor how unwelcoming her peers would be When Orry graduated from university he was told he d probably land a six figure salary But he wasn t told he d end up barely scraping a living wage struggling to feed his children Drawing on the stories of hundreds of American students The Years That Matters Most is a revelatory account of a university system in crisis Paul Tough bestselling author of How Children Succeed exposes a world where small town colleges go bust while the most prestigious raise billions every year where overstretched admissions officers are forced to pick rich candidates over smart ones where black and working class students are left to sink or swim on uncaring campuses Along the way he uncovers cutting edge research from the academics leading the way to a new kind of university one where students succeed not because of their background but because of the
