Social TV Cory Barker, 2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In *Social TV* Multi Screen Content and Ephemeral Culture author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life

Video Marketing Made Simple For Business Owners

Raymond Wayne,2020-09-18 Video Marketing is literally on fire Embrace the Power and Potential of Video Marketing And use this medium to catapult your web business to the next level Check out on Video Marketing Made Simple For Business Owners Finally you have this once in lifetime opportunity to get your hands on the video marketing tools and what one group finds engaging and interesting another may not So it s important for businesses to understand what demographic they are targeting so they get the marketing just right for them But businesses don t have to go to such trouble when they re using video marketing because video marketing reaches every demographic and is interesting to every demographic And this is because men and women and people of every age love video As long as it s interesting and creative people will like a video regardless of their background or history This can be a bonus for businesses that know who their demographic is simply because more people will share it and like it even if they don t make up part of the business demographic But it s also especially good news for businesses with a shifting demographic or for those that don t know how makes up their demographic That happens sometimes when a business changes directions or changes their product or service slightly and then they have to start back at square one with their marketing efforts But when a business has already created videos as part of their marketing plan they don t have to change a thing because those videos will already be suitable for every demographic Imagine one type of marketing that appeals to every single demographic It seems too good to be true but it s not That type of marketing is video marketing and reaching every demographic is just one very good reason why every business should be investing in it
