J2EE and JAX Michael Yawn, Mike Yawn, 2002 CD ROM contains Source code Tools for developing and deploying Web services

The Savvy Guide to Fantasy Sports Michael Harmon, Mike Harmon, 2005 Taking a fresh approach to fantasy sports this guide covers strategies and techniques both unique to specific sports and trends applicable to all sports while providing tips to help the casual player get the most out of every game

California Smart Traveler System Robert W. Behnke, 1992

The Software Encyclopedia, 1997

Last Team Standing Matthew Algeo, 2013-09-01 During World War II the National Football League faced a crisis unimaginable today a shortage of players By 1943 so many players were in the armed forces that the league was forced to fold one team and merge two others the Pittsburgh Steelers and the Philadelphia Eagles the Steagles Its roster that included military draft rejects aging stars lured out of retirement and even a couple of active servicemen who managed to get leave for the games The team s center was deaf in one ear its wide receiver was blind in one eye and its halfback had bleeding ulcers One player was so old he d never played football with a helmet Yet somehow this motley bunch managed to post a winning record the first for the Eagles and just the second for the Steelers But Last Team Standing isn t just about football It s also about life in the United States during World War II a time of fear and hope of sacrifice and momentous change It s about rationing racism and Rosie the Riveter It s about draft boards bond drives and movie stars Above all it s about the men and women of the Greatest Generation who couldn t fight but helped win the war in immeasurable ways

Three-Week Professionals Ted Kluck, 2015-08-06 In 1987 the players of the National Football League went on strike demanding better pay and the right to seek free agency Determined to keep the league going team owners pulled replacements from wherever they could be found from the semi pro leagues to bar stools in order to create makeshift teams For three weeks regular men truck drivers school teachers stockbrokers were able to put on NFL helmets and jerseys play in professional stadiums and live their dreams The replacements had to dodge thrown food and endure catcalls while they played in nearly empty stadiums but for three weeks they could call themselves professional football players Ultimately the replacements days as professional athletes were all but forgotten by fans and the league Ted Kluck changes that in Three Week Professionals Inside the 1987 NFL Players Strike sharing the stories of the replacements alongside the strike experiences of NFL veterans The innocence and joy experienced by the replacements stand in stark contrast to the high stakes negotiations being waged by striking NFL players negotiations that would spike the pay scale and change the face of the NFL Three Week Professionals includes original interviews with both the replacement players and the professionals who went on strike bringing to life these brief but unusual days of football Football fans and sports historians alike will find this book a fascinating glimpse into three of the strangest weeks in the NFL and come to realize the impact those weeks had on the world s most lucrative sports league
