in Asia Andrew J. Harding, Jiayang Hu, Maartje de Visser, 2017-11-20 Legal education systems like legal systems themselves were framed across Asia without exception according to foreign models These reflect the vestiges of colonialism and can be said to amount to imitating the style and purposes of legal education typical in Western and relatively pure common law and civilian systems Today however we see Asian legal education coming into its own and beginning to accept responsibility for designing curricula and approaches that fit the region's particular needs This book explores how conventional transplanted approaches as regards program design as well as modes of teaching are or are on the cusp of being reimagined and discerns emerging home grown traces of innovation replacing imitation in countries and universities across East Asia Armed
