M. Auer,2019-07-25 Modern liberal democracy is praised in a universalistic Western view as the best political system and a quasi prerequisite for full acceptance by the community of traditional hegemonial States However democracy is fully developed in only less than five percent of States globally and in decline in most Western countries In this book democracy is presented as a political

system in danger due to its intrinsic flaws and tendency to self destruction The major flaw is that human nature is not adequately considered in democracy s conception its citizens We the people as individuals and as crowds are liberated into a dangerous ideology prioritizing freedom from society over membership in society and thereby causing decline in libertinism hedonism and polarization in divided and finally broken societies Proposals to resolve the rapidly growing crisis include education of citizens into the ethics of reciprocal altruism grounded in evidence from biological sciences and humanities professionalization of politics and a fundamental change of politics towards evidence based decision making thus ending politicking politicians personality affairs and the cold war of political parties the representative of class warfare in the sheep skin of interest group pluralism The author uses his background in human biology and psychology to discuss the relevance of philosophical and politological issues around democracy raised in past and recent literature and to highlight the prospects of using scientific knowledge for evidence based socialization of the human factor **Streaming vs Theaters** Ethan Parker,AI,2025-02-24 Streaming vs Theaters investigates the dramatic shift in the film industry examining the growing tension between streaming services and traditional movie theaters It addresses whether the conventional theatrical model can thrive amidst on demand entertainment detailing how streaming platforms like Netflix and Disney have reshaped movie consumption One intriguing fact is the significant impact of streaming on movie budgets forcing a reevaluation of established industry practices The book offers a structured analysis supported by box office data subscriber statistics and industry reports making it valuable for anyone seeking a deep understanding of this evolving landscape The book explores the economic disruption caused by streaming the changing consumer behavior and the effects on filmmaking It provides a historical overview of the film industry from its early beginnings to the rise of home entertainment setting the stage for the streaming revolution It argues that streaming isn t just a new distribution method but a fundamental change in how movies are made distributed and experienced Beginning with the history and economics of both theaters and streaming the book progresses to analyze the ascent of streaming platforms and their impact on movie budgets and release strategies It concludes by examining potential future scenarios for the industry considering co existence and the evolution of cinematic art while also addressing debates around theatrical exclusivity and the impact of algorithms on film selection Mom vs. Dad Lucy Riles,Tom Riles,2020-11-17 The hilarious husband and wife team behind the massive online communities Life of Mom and Life of Dad share honest advice and contrasting perspectives about marriage and parenting with their millions of followers While a husband and wife s parenting styles may be worlds apart they both have the same goal to raise happy kids who feel unconditionally loved Mom vs Dad is packed with sidesplitting and vulnerable personal essays from the trenches of parenthood In this book Lucy and Tom Riles tackle relatable topics such as Is bringing a toaster oven to a 5 star resort tacky or genius Is it appropriate to lick your plate clean at a restaurant Does the expiration date on food really matter Illustrations of family life will also be included in this intimate and inspiring narrative about the challenges and triumphs of raising

children Mom vs Dad is the perfect gift for anyone who needs a relatable couple to guide them through some of the toughest and funniest issues parents face today Fulfillment Alec MacGillis,2021-03-16 A New York Times Book Review Editors Choice A grounded and expansive examination of the American economic divide It takes a skillful journalist to weave data and anecdotes together so effectively Carolyn Kellogg Los Angeles Times An award winning journalist investigates Amazon s impact on the wealth and poverty of towns and cities across the United States In 1937 the famed writer and activist Upton Sinclair published a novel bearing the subtitle A Story of Ford America He blasted the callousness of a company worth a billion dollars that underpaid its workers while forcing them to engage in repetitive and sometimes dangerous assembly line labor Eighty three years later the market capitalization of Amazon com has exceeded one trillion dollars while the value of the Ford Motor Company hovers around thirty billion We have it seems entered the age of one click America and as the coronavirus makes Americans more dependent on online shopping its sway will only intensify Alec MacGillis s Fulfillment is not another inside account or expos of our most conspicuously dominant company Rather it is a literary investigation of the America that falls within that company s growing shadow As MacGillis shows Amazon s sprawling network of delivery hubs data centers and corporate campuses epitomizes a land where winner and loser cities and regions are drifting steadily apart the civic fabric is unraveling and work has become increasingly rudimentary and isolated Ranging across the country MacGillis tells the stories of those who ve thrived and struggled to thrive in this rapidly changing environment In Seattle high paid workers in new office towers displace a historic black neighborhood In suburban Virginia homeowners try to protect their neighborhood from the environmental impact of a new data center Meanwhile in El Paso small office supply firms seek to weather Amazon s takeover of government procurement and in Baltimore a warehouse supplants a fabled steel plant Fulfillment also shows how Amazon has become a force in Washington D C ushering readers through a revolving door for lobbyists and government contractors and into CEO Jeff Bezos s lavish Kalorama mansion With empathy and breadth MacGillis demonstrates the hidden human costs of the other inequality not the growing gap between rich and poor but the gap between the country s winning and losing regions The result is an intimate account of contemporary capitalism its drive to innovate its dark pitiless magic its remaking of America with every click **Friday the 13th** , China Vs. U.S. Brad Peery,2018-09-11 Brad Peery shows why Chinas rise and the Belt and Road Initiative must be a top concern for the Trump administration A must read to understand US China relations from an American perspective Dr Sebastien Goulard coordinator of OBOReurope Chinas One Belt One Road Initiative in which it is investing in about seventy countries will allow it to develop maritime ports to challenge the supremacy of the United States of America in a way the world has never seen As a police state with almost ninety million Communist Party members and a leader for life China seeks to replace the United States as the strongest country in the world politically technologically and militarily While the United States is at a disadvantage because of changing presidential administrations it has one strategic advantage It can spur technological

innovation through the private sector It also has President Donald Trump who is challenging China in ways previous administrations did not Brad Peery a former U S Senate candidate with decades of experience in the investment industry examines Trumps policies as well as the political ethical and economic issues that face companies trying to do business in China He also explores how China is developing or supporting emerging technologies such as self driving and electric vehicles quantum computing and artificial intelligence and stealing intellectual property from American companies along the way **Natural Elementary Geography** Jacques Wardlaw Redway,1897 Side Hustles That Actually Make Money: Passive vs. Active Income Ikechukwu Kelvin Maduemezia,2025-08-19 Not all side hustles are created equal some drain your time while others build wealth quietly in the background Side Hustles That Actually Make Money helps you separate hype from reality by exploring proven opportunities that deliver results This book breaks down the difference between active hustles like freelancing or driving for rideshare apps and passive ones like digital products investments or rental income With real world examples income breakdowns and practical steps to get started you ll learn how to choose the right hustle based on your skills resources and lifestyle goals It s not about chasing every shiny trend it s about focusing on sustainable profitable options that fit your long term vision Whether you need extra cash to pay off debt or want to build financial independence this book equips you with the knowledge to pick side hustles that truly pay off *Comparing Literatures: Aspects, Method, and Orientation* Alison McIntosh-Varjabédian, Fiona Boulanger,2022-04-04 Globalization is not a new phenomenon Ideas have been circulating all over Europe and the world since ancient times and intercultural dialog is a wide field offering a great variety of approaches In such times as ours when the world is swift to change and cultures are destined to meet sometimes alas to clash the place of literature or broadly speaking human and social sciences within society is often questioned and needs redefining From the reception studies of the 1970s and 1980s to the stress laid on intermedial and intercultural relations not forgetting the work done on cultural transfers this question opens up a wide field of theoretic methodological and aesthetic research which is explored through this volume

The Top Books of the Year Amazon Compare The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Amazon Compare : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
