Burn, 2013-11-22 Sometimes Stratford Dale feels like Doctor Chicken consumes his life It s his pen name for a series of wildly popular children s books They were his brainchild he meant for them to be a way to pay his many bills while he pursued his dream of publishing graphic novels But the Doctor Chicken contract was a raw deal Instead he churns out book after book for a pittance leaving him broke and no closer to his dreams Stratford s dreams of love have fared no better but he s still trying After yet another disastrous date he s intrigued by a man going into a cooking class so he takes the class too Vinnie Giani is a successful self made man who is charmed by Stratford s bow ties sharp humor and clumsiness which leads to an opportunity to take Stratford in for stitches Vinnie is above all responsible having taken on the care of his mother and sisters from a young age Perhaps it s natural when he begins to treat Stratford more as a child who needs a parent than as an equal partner

But when Vinnie tries to fix Stratford's career woes including the Doctor Chicken problem and ends up making the situation worse their fledgling relationship may not withstand the strain created by blame and lies **Wow!
