The Conversion Code Chris Smith, 2016-02-10. If you need more traffic, leads, and sales, you need *The Conversion Code*. Neil Patel, co-founder of Crazy Egg: We've helped 11,000 businesses generate more than 31 million leads, and consider *The Conversion Code* a must-read. Oli Gardner, co-founder of Unbounce: We'd been closing 55% of our qualified appointments. We increased that to 76% as a direct result of implementing *The Conversion Code*. Dan Stewart, CEO of Happy Grasshopper: The strategies in *The Conversion Code* are highly effective and immediately helped our entire sales team. The book explains the science behind selling in a way that is simple to remember and easy to implement. Steve Pacinelli, CMO of BombBomb: Capture and close more Internet leads with a new sales script and powerful marketing templates. *The Conversion Code* provides a step-by-step blueprint for increasing sales in the modern Internet-driven era. Today's consumers are savvy, and they have more options than ever before. Capturing their attention and turning it into revenue requires a whole new approach to marketing and sales. This book provides clear guidance toward conquering the new paradigm shift towards online lead generation and inside sales. You'll learn how to capture those invaluable Internet leads, convert them into appointments, and close more deals. Regardless of product or industry, this proven process will increase both the quantity and quality of leads and put your sales figures on the rise. Traditional sales and marketing advice is becoming less and less relevant as today's

consumers are spending much more time online and salespeople are calling emailing and texting leads instead of meeting them in person This book shows you where to find them how to engage them and how to position your company as the ideal solution to their needs Engage with consumers more effectively online Leverage the strengths of social media apps and blogs to capture more leads for less money Convert more Internet leads into real world prospects and sales appointments Make connections on every call and learn the exact words that close more sales The business world is moving away from belly to belly interactions and traditional advertising Companies are forced to engage with prospective customers first online the vast majority through social media mobile apps blogs and live chat before ever meeting in person Yesterday s marketing advice no longer applies to today s tech savvy mobile first social media addicted consumer and the new sales environment demands that you meet consumers where they are and close them quickly The Conversion Code gives you an actionable blueprint for capturing Internet leads and turning them into customers

Engaging content on Instagram. Best filter choice for the increase of photo views and likes of sport and leisure interested users Ilona Maties,2018-06-18 Bachelor Thesis from the year 2016 in the subject Communications Public Relations Advertising Marketing Social Media grade 7 6 Stenden University course Bachelor of Business Administration Bachelor of Art language English abstract The social media world has increased fast and people become overwhelmed with information Since images play an important role in the social media world organizations have the opportunity to create a profile at the social media network Instagram to post filtered and non filtered photos to engage its users to view like and comment those Photo filters that increase warmth exposure and contrast get more likes and comments because they elicit feelings of arousal and excitement This theory can be attributed to the filters colours since red orange and yellow lead to states of arousal and excitement Next to that sport fans enjoy images in black white and sepia The sport company S is a client that has wished an Instagram profile from the company 12s For that reason the management did send many sport related photos to the media firm which they can post at their profile However the employees who are responsible for the Instagram profile are not sure if they should keep the images original or edit them with filters If they edit photos they can choose between filters what makes the choice harder since they do not know which filter viewers like For solving that problem a research was needed to give recommendations to the organization 12s for the best filter choice by analysing appealing colours and filters of lively Instagram users that are interested in sport and leisure via an experiment For the experiment two groups were randomly chosen which were as similar as possible All participants had to be interested in sport leisure One group had to answer questions about original photos and the second group about edited photos 16 images were posted in original and edited at the Instagram profile Bachelor_Workout to see which photos receive more likes The outcome shows that participants prefer photos edited Approximately edited photos receive min 20 per cent more views and likes compared to original photos Furthermore participants like warm colours filters such as Hefe and Valencia and the colourful filter Clarendon Especially men do like the black and white filter Moon compared to women who

prefer the filter X_Pro_II To engage Instagram users who are interested in sport and leisure 12s should edit photos with warm colours to reach the target group of the sport company S If they like to reach more men they can use the black and white filter Moon and if they concentrate more on women with a photo they should use the filter Rise
