It Is What It Is S.J. Morgan, 2022-02-21 The voice of the book is reflective of the author and the life handed her the values she learned to cherish and take with her through her journey She learned to make the most of life's situations relying on her sense of humor to cope Through the disappointments and failures she recognized her weaknesses and turned to her faith to get her through She attributes her courage of character strength and wisdom to a deep faith and trust in God She bares her soul and becomes an open book such that you will find yourself laughing and crying and oft times identifying with life as she lived it Her ability to accept life as is and to find a comforting blend of laughter and sadness is one of the main threads throughout the book The sharing of her life is unique and entertaining
Better Money Lawrence H. White, 2023-03-23 The recent rise of dollar pound and euro inflation rates has

rekindled the debate over potential alternative monies particularly gold and Bitcoin Though Bitcoin has been much discussed in recent years a basic understanding of how it and gold would work as monetary standards is rare Accessibly written by a pioneering economist Better Money explains and evaluates gold fiat and Bitcoin standards without hype White uses simple supply and demand analysis to explain how these standards work evaluating their relative merits and explaining their response to shocks allowing for informed comparisons between them This book addresses common misunderstandings of the gold standard and Bitcoin using historical evidence to review the history of money with emphasis on the contest between market and government provision Known for his work on alternative monetary institutions White offers a reasoned discussion of which standard is most likely to provide a better money
