Angriff der Algorithmen Cathy O'Neil, 2017-08-21 Algorithmen nehmen Einfluss auf unser Leben Von ihnen hängt es ab ob man etwa einen Kredit für sein Haus erhält und wie viel man für die Krankenversicherung bezahlt Cathy O'Neil ehemalige Hedgefonds Managerin und heute Big Data Whistleblowerin erklärt wie Algorithmen in der Theorie objektive Entscheidungen ermöglichen im wirklichen Leben aber mächtigen Interessen folgen Algorithmen nehmen Einfluss auf die Politik gefährden freie Wahlen und manipulieren über soziale Netzwerke sogar die Demokratie Cathy O'Neils dringlicher Appell zeigt wie sie Diskriminierung und Ungleichheit verstärken und so zu Waffen werden die das Fundament unserer Gesellschaft erschüttern

Like Nobody's Business Andrew C. Comrie, 2021-02-23 How do university finances really work From flagship public research universities to small private liberal arts colleges there are few aspects of these institutions associated with more confusion myths or lack of understanding than how they fund themselves and function in the business of higher education Using simple approachable explanations supported by clear illustrations this book takes the reader on an engaging and enlightening tour of how the money flows How does the university really pay for itself Why do tuition and fees rise so fast Why do universities lose money on research Do most donations go to athletics Grounded in hard data original analyses and the practical experience of a seasoned administrator this book provides refreshingly clear answers and comprehensive insights for anyone on or off campus who is interested in the business of the university how it earns its money how it spends it and how it all works Informing Business: Research and Education on a Rugged Landscape T. Grandon Gill, 2010

Second Class No Longer Phillip L. Beukema, 2023-10-19 No one could have predicted thirty years ago that online learning would become such a key facet of our educational landscape in nearly every corner of the world Online teaching and learning have evolved rapidly and far more widely than imaginable accompanied by huge impacts on business society and our entire educational enterprise Drawing on his extensive experience in online teaching at both the graduate and undergraduate level as well as his 25 years in higher ed administration the author paints a global picture of the evolution of online education He describes how one country after another has witnessed the astonishing growth of online degrees and microcredentials of all kinds Along the way he dispels the myths and misperceptions that have grown up around online learning With incisive analysis built on solid data the author demonstrates that online programs are no longer regarded as second class but in fact are fully in the mainstream of higher education Not only that but he predicts that by 2030 they will become the gold standard by which the more traditional degrees will be judged *Business Rankings Annual* Gale Group, 1998-11 The staff of the Business Library of the Brooklyn Public Library answers more than 175 000 reference questions each year many of them requests for rankings information To provide quick answers to questions in the highest interest subject areas we have compiled *Business Rankings Annual* Working from a bibliographic file we have built up over the years we have culled thousands of items from periodicals newspapers financial services directories statistical annuals and other printed material

The Wall Street Journal Guide to the Top Business Schools, 2006 Ronald J. Alsop, 2005

The only business school guide that ranks M B A programs by their reputation in the marketplace. Unlike other business school books and surveys, *The Wall Street Journal Guide to the Top Business Schools 2006* ranks M B A programs solely according to what corporate recruiters, the buyers of management talent, say about them. Now prospective students can choose a business school based exclusively on its reputation in the real world where it matters most. Combining the expertise of *The Wall Street Journal*, the world's most authoritative business publication, and Harris Interactive, the worldwide market research firm, this guide reveals recruiters' top ranked national, regional, and international M B A programs, the top schools for major industries, an honor roll of schools by academic discipline, detailed profiles of full time programs. Each profile of the 76 top M B A programs includes information on the school's ranking, admissions process, test scores, the industries and companies most likely to hire the school's graduates, and graduates' expected first year salaries. *The Wall Street Journal Guide to the Top Business Schools 2006* also covers how to get hired, including the right skills, attitude, and work experience; the debate over full time vs part time degrees; the booming executive M B A market; the scoop on online degrees; the top schools for women and minorities; the schools whose graduates report the highest compensation.
