Everyone from industry veterans to aspirational managers will learn how to design identities, reinvigorate venue experiences, manage narratives, and maximize new technology in today's connected world. In addition, readers will explore how to implement business analytics, build public support, and apply ethics in decision making. These techniques are vital to creating a successful sports organization that is ready to reap the benefits of winning when it does happen, without having to suffer when it does not. Kingdom Man Tony Evans, 2012-03-01 Live confidently in your authority as a kingdom man. For too long, men have sat on the sideline of life. But God intends for us to get into the game. We've been content with mediocrity while God calls us to greatness. The path to a better world and a better future for our families and communities begins at our door. We need to take hold of our biblical anointing and become spiritually strong men sold out for the kingdom of God. Dr. Tony Evans, founder and president of The Urban Alternative and senior pastor at Oak Cliff Bible Fellowship in Texas, calls men to biblical manhood. He exhorts you to grab hold of your dominion, exercise the authority God has given you, and fulfill your role to provide leadership and mirror God's character. With *Kingdom Man* as your guide, you will learn to leave the past behind, learn from yesterday but not live in it, embrace prayer as your primary weapon of warfare, align yourself with God's prescription for kingdom masculinity, confidently and compassionately express your authority within your domain, remember your call to greatness. Men, it's time to step into our destiny. It's time to roar.
