How to College Andrea Malkin Brenner, Lara Hope Schwartz, 2025-06-25 The first practical guide of its kind that helps
students transition smoothly from high school to college The transition from high school and home to college can be stressful
Students and parents often arrive on campus unprepared for what college is really like Academic standards and expectations
are different from high school families aren't present to serve as scaffolding for students and first years have to do what they
call adulting Nothing in the college admissions process prepares students for these new realities As a result first year college
students report higher stress more mental health issues and lower completion rates than in the past In fact up to one third of
first year college students will not return for their second year and colleges are reporting an increase in underprepared first
year students How to College is here to help Professors Andrea Malkin Brenner and Lara Schwartz guide first year students
and their families through the transition process during the summer after high school graduation and throughout the school
year preparing students to succeed and thrive as they transition and adapt to college The book draws on the authors
experience teaching writing curricula and designing programs for thousands of first year college students over decades

VanDeVelde, 2011-08-30 College Admission is the ultimate user's manual and go to guide for any student or family
approaching the college application process Featuring the wise counsel of more than 50 deans of admission no other guide
has such thorough expert compassionate and professional advice Let's be honest applying to college can be stressful for
students and parents But here's the good news you can get in Robin Mamlet has been dean of admission at three of America's
most selective colleges and journalist and parent Christine VanDeVelde has been through the process first hand With this
book you will feel like you have both a dean of admission and a parent who has been there at your side Inside this book you'll
find clear comprehensive and expert answers to all your questions along the way to an acceptance letter The role of
extracurricular activities What it means to find a college that's the right fit What's more important high grades or tough
courses What role does testing play The best candidates for early admission When help from parents is too much help Advice
for athletes artists international students and those with learning differences How wait lists work Applying for financial aid
