Too Good to Be True Kristen Ashley, 2023-10-31 Heiress Daphne Ryan is

uncertain about spending a week at the sprawling country estate of the family of her sister's boyfriend. For starters, she doesn't get along with her sister. Then there's the fact his family is old wealthy aristocracy and Daphne's from brash new American money. Mostly it's that everyone knows Duncroft House is haunted by the ghost of a 1920s film star who died there. Deemed an accident for nearly a century, people are sure it was murder. Daphne doesn't like scary things, say haunted houses. She likes it less when strange things start happening to her when she arrives. But she finds she has a surprising ally. Ian Alcott, the heir to the earldom, is rich, gorgeous, and just as concerned about the frightening things that keep befalling Daphne at his ancestral family home. As he moves to protect her, Daphne finds he's also funny, kind, and sexy as hell. Indeed, he just might be too good to be true.

Literary Prizes and Cultural Transfer Petra Broomans, Mathijs Sanders, Jeanette den Toonder, Elise Bijl, 2022-02-05. *Literary Prizes and Cultural Transfer* addresses the multilevel nature of literary and translation prizes with the aim of expanding our knowledge about them as an international and transnational phenomenon. The contributions to this book analyse the social, institutional, and ideological functions of such prizes. This volume not only looks at famous prizes and celebrities but also lesser-known prizes in more peripheral language areas and regions, with a special focus on cultural transmitters and their networks, which play a decisive role in the award industry. Cultural transfer and translations are at the heart of this book, and this approach adds a new dimension to the study of literary and translation prizes. The contributions reveal the diverse ways in which a cultural transfer approach enhances the study of literary prizes, presenting the state of the art regarding recent developments in the field. Articles with a broader scope discuss definitions, concepts, and methods, while other contributions deal with specific case studies. A variety of theoretical and methodological approaches are explored, applying field theory, network analysis, comparative literature, and cultural transfer studies. By providing multiple perspectives on the literary prize, this volume aims to contribute to our knowledge and understanding of this intriguing phenomenon.
