Season of '42 Jack Cavanaugh, 2015-03-03 Big league baseball would seem to have been a hard sell in 1942 World War II was not going well for the United States in the Pacific and not much better in Europe Moreover the country was in drastically short supply of ships planes submarines torpedoes and other war materials and Uncle Sam needed men millions

of them including those from twenty one through thirty five years of age who had been ordered to register for the draft the age range of most big league baseball players But after a green light from President Roosevelt major league baseball played on in 1942 as it would throughout the war It turned out to be an extraordinary season too spiced by a brash young and swift St Louis Cardinal team that stunned the baseball world by winning the World Series The 1942 season would be overshadowed by war though with many people wondering whether it was really all right for four hundred seemingly healthy and athletic men to play a child s game and earn far more money than the thousands of young Americans whose lives were at risk as they fought the Germans and Japanese abroad In Season of 42 veteran sportswriter Jack Cavanaugh takes a look at this historic baseball season how it was shaped and affected by the war and what ultimately it meant to America Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
